The Supreme Court Of The United States

I file a Motion: For a Petition for a Rehearing on
the Petition for a writ of certiorari on Cathy L. Toole
dated June 28, 2019.

All the certifiable documents I can prove by the evidence
of my case. The U.S. refuses to pay me my D&C payments
for twenty one years retroactive. And also for my
husband's James Luther Toole's wrongful death lawsuit.
Pay me for my twenty one years of malice that the
U.S. Government has put me through, that I have
proof of. Cathy L. Toole certify that the petition
for rehearing is presented in good faith and not
for delay. The Government waived their right to a trial.
