#8 - Regular expenses for operation of business, profession or farm

The following expenses are paid directly from the small sales I've had and are debited out of the PayPal account. The app. \$200.00 average monthly profit from the small business website is what is left from all gross sales and expenses. There have been times when I've had to deposit funds from my veterans disability account to support the small business costs due to limited sales. I'm trying to survive here... for many years...

CenturyLink internet/phone service: App. \$111.00/month (\$1308/year)

Verizon Cell phone service - \$73.08/month (\$876.96/year)

Volusion Shopping Cart - \$103.69/month (\$1244.28/year)

Spam Arrest - \$49.95/yr (average of \$4.16/month)

Carbonite Backup Services - \$59/year (average of \$4.92/month)

Godaddy website Server costs: \$131.88/year (\$10.99/month).

Monthly expenses: average 287.77 per year 3453.24

Yearly charge expenses: app. \$240.83 (divided by 12 = \$20.07 per month average)

\$307 average per month expenses for business.

Total/year = \$3694.07

#9 Major changes to monthly assets:

I have had a VA disability appeal in since 2010. It was remanded back to the VA from the Appeals Court last August. I received notice last week that my case was now being reviewed which could take 180 days. If granted this would change my monthly disability rate but that rate is not known at this time, and, of course, is not guaranteed.
