QUESTION(S) PRESENTED

I wish for the Court to review the errors committed in my trial by the State court, why evidence was allowed that had no proper foundation and also challenging the "overwhelming evidence". I am seeking relief of habeas corpus. The Court states that the error was harmless however I do not agree on the basis that now I have a criminal record and will be much harder and almost impossible for me to gain citizenship status in the United States of America.

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

STATEMENT OF THE CASE

United States Court of Appeals For the Tenth Circuit denied a review on my case and dismissed the matter stating that the errors made by the court were not harmful to me, which I disagree wholeheartedly. Reasons being how is it acceptable to admit and allow inconsistent evidence and false witnesses and false evidence based on hearsay? Now I have a Criminal record and It will be almost impossible to Obtain Citizenship in the United States of America.

REASONS FOR GRANTING THE PETITION

I wish for the Supreme Court of the United States to grant the petition for the following reasons. The obvious errors committed by the Court in my Trial, and the Court of Appeals stating that the Court admitted to the errors committed and stating that the errors were harmless but in reality were not harmless at all. I came here for a better life to provide a better opportunity for my children but my children have now been stripped of their father and no children deserves to be without and now with that I now have a Criminal Record and the so called "Harmlessness" of this decision has made a task that's already difficult to do in becoming a United States citizen and made it near impossible for me to achieve, I ask that the Court please not allow these errors committed at my Trial strip me of the opportunity to become a citizen of this country and first and foremost to not have to wear this unfitting jacket of a criminal because that I am not, I am not this dangerous person the Court says I am nor am I a danger to the community, I am a hard working, loving father and husband who's family is in need of and I then please do not let my wife and children fall victims to corruption and inequity justice.

Respectfully Submitted
