However, was that document on October 8, 2019 falsified by Core Civic, was that document falsified, so mean Core Civic is guilty, because Core Civic have falsified documentation to cover up what they are doing to me, Mean every thing i says into my claim is true.

Core Civic did not send out a petition writ of certiorari filed on June 22, 2019 because i do also have other evidence recently Core Civic Saguardo staffs snatching and stealing my legal documents that relate to my claim to cover up.

However, is part of it stealing petition of writ certiorari not sending it out, Then falsified Supreme Court documentation saying denied.

One, Supreme Court response say petition denied.

One, Supreme Court response say the court is not in receipt of your petition writ of certiorari.
