PETITION FOR REHEARING STATEMENT OF THE ISSUES

1. Manifest constitutional error denial of trial by fair impartial jury amounting to plain error and miscarriage of justice 5th, 6th, 8th, and 14th Amendments violations U.S.C.
2. Manifest error denial of Faretta Inquiry prior to trial that is plain error

ARGUMENT

Rehearing is necessary when this Court see's the denial of a plain manifest constitutional error has been averred that can not be refuted

1. Petitioner was indicted in September 2001. Miami Dade County Southern District Court of Florida Case No.: 01-0873-CR-GRAHAM Vickie Lynn Hooke-Horowitz sat that grand jury the infamous 911. The state of Florida filed felony information on the same information of that indictment and forced petitioner to act pro se in the State Court on January 29, 2007. After the Court struck the original panel on an amazing conspiracy the next panel contained all family members of states attorneys, police, clerks, court workers, states attorney workers, and corrections officers. Vickie Lynn Hooke was called by petitioner during jury-selection process 57 times before averring no speak good english. At the last strike of petitioner Vickie Lynn Hooke was called at which time petitioner sought to strike for cause the prosecution now judge jumped up stating she anglo a check of fraudulent transcript will show this juror was never question as the Court denied read back instead called the juror in the Court room to wit the same Vickie Lynn Hooke averred she spoke english but the juror questionnaire had been removed no excuse though it was the second panel by pro se defendant I petitioner wrote no english cause on my chart. When this juror was seated the ex-prosecutor called the news station which was in the court room live footage the entire trial (24) fourteen days. Vickie Lynn Hooke became the

NOTE: Respondents agents have denied all access to what room, law library, rules of this Court, after taking all of petitioners personal law books, dictionaries Blacks Law, Federal Transcripts to wit is obvious attempt to shut down all avenues in conspiracy. The fact juror Vickie Lynn Hooke was violation of right to fair impartial trial can not be concealed nor the fact she concealed her way on the panel and become foreperson. Bonds v. Smith violation.

foreperson of all female jury not only had she Vickie Lynn Hooke set the grand jury in Sept. 2001 but was the sister in law of corrections officer David Horowitz badge #4343 who was a witness in a prior case battery on corrections officer tried pro se by petitioner in 2006 that resulted in acquittal and David Horowitz swore he would get petitioner. The jury was out when petitioner was in the holding cell a corrections officer came told petitioner you can not win I've been getting play by play from the court room every morning to wit I petitioner replied the officers in the court room change every day. The officer said the source is not in the court room he comes to work with the play by play I petitioner said off the news it is on TV channel 7 has a camera in the court room the officer then said check your surroundings. When the guilty verdict was returned Vickie Lynn Hooke foreperson sat smiled at the prosecutor which made me run the jury. Vickie Lynn Hooke was the sister in law of David Horowitz badge #4343 who she listed as next of kin though there was (3) other Horowitz men listed at the same address not David Horowitz young men late twenties early thirties. This panel was designed by the trial court.

Manifest Constitutional error has an identifiable negative impact on the trial to such a degree that the constitutional rights of a party are compromised. A manifest constitutional error can be reviewed by a court of appeals even if the appellant did not object at trial. Plain error is so obvious and substantial that failure to correct it would infringe a parties due-process rights and damage the integrity of the judicial process also termed fundamental error, error apparent of the record. The foundation of due process is fair impartial fact finder to wit obviously Vickie Lynn Hooke could not be and the integrity less Florida Courts can not change the Federal Grand Jury List to wit justice requires this Courts granting writ of certiorari as no Florida Court State nor Federal has allowed petitioner to argue the claim on its merits. Arbitrarily hostile bias Florida has no due process protection, as required by the 14th Amendment, which is why the United States Supreme Court should grant certiorari, as 5th Amendment violation and 6th Amendment violations!

2. The Court hired by Dade County Florida from Monroe County Florida failed to conduct even the minimal required safeguards of the 6th Amendment which the State Courts allowed forged documents (3) years prior to trial to be made up then PCA the issue to close the door as the Federal Courts simply exempted the fraud in protecting the integrity less state courts. There is no reason to make long drawn out issue to this hostile denial of due process required by this constitution and the due process of this Courts ruling though not cited as Fareta made the right to self representation after inquiry to wit the State Court failed to adhere to then made up forged document that petitioner can establish though poverty coupled with the States attempt to hide petitioner as legal mail has been return to sender as well as denial of access to writ room with no responses to distress request an intentional denial of due process. This fundamental right made by this court the denial of which has caused a miscarriage of justice against a innocent petitioner.

NOTE: Petitioner not clear on the meaning cited by the Clerk of this Court intervening circumstances of substantial or controlling effect on to other substantial grounds not previously presented. The taking of my law books dictionaries legal and personal is because the State as a whole lacks all comprehension, integrity and is openly allowed to oppress by design at each level as Rule 44 was not even provided timely and petitioner was moved!

AFFIDAVIT OF TRUTH

"Indeed no more than (AFFIDAVIT) is necessary to make Prima Facie Case" (USVKS 658 F.2d 526 (7th Cir 1980))

That I Bryant Keith Williams, a living, breathing original man, being first duly sworn Deposed, Say and Declare by my signature that the foregoing facts are true, correct, and complete to the best of my knowledge and belief. That affiant is the flesh and blood original man and is Sovereign in a collective capacity with other Sovereigns.

That affiant's rights "Existed by the law of the land antecedent to the organization of the State." (Hale v Henkel 301 US 43)

Affiant Bryant Keith Williams is being held in violation of 5th Amendment of the United States Constitution, and the 6th Amendment suffering fundamental constitutional violation of the right to trial by fair impartial jury. That Vickie Lynn Hooke concealed her way on the petty jury with the help of the ex-prosecutor now judge and the same Vickie Lynn Hooke sat the grand jury of 9/11 September 2001 that indicted affiant petitioner in Southern District Court of Florida Bryant Williams v United States case no.: 01-0873-CR-GRHAM the same allegation of the State trial. That Vickie Lynn Hooke was the sister in law of David Horowitz badge #4343 a corrections officer that swore to get affiant after acquittal of battery on corrections officer that the same David Horowitz wrote (8) eight disciplinary reports and became the witness. That affiant swears the State of Florida has refuse to address the constitutional violations on the State and Federal level allowing an innocent man due to poverty to be held illegally for life without minimal due process. That the respondent in and through its agents have openly hostilely been allowed to violate Bounds v Smith to compound the denial of the Court in Florida to hear the case on the merits and to attempt to sabotage the certiorari process in this court. That affiant is legally and actually innocent without resources to get relief simply due to poverty. That this Supreme Court of the United States can issue an order for a new trial to stop the miscarriage of justice suffered by affiant/petitioner in this cause. Made in good faith and not for delay so help me.

I, affiant/petitioner declare under penalty of perjury that the foregoing facts are true and correct to the best of affiant's knowledge and belief pursuant to 28 USC § 1746 and § 92.525 (2) Fla. Stat. this 7th day of November 2019
