Provide any other information that will help explain why you cannot pay the costs of this case. I am a crime victim in a manual wheelchair inadequate for me. I need to save money to buy a motor wheelchair because I suffered several murder attempts resulting in torn rotator cuff tears in my shoulders. Also, I was arbitrarily detained resulting in biological twins that are not under my custody but still I owe them alimony. Same for my disabled little brother, who doesn't receive and is under custody of my 83 old father that I should be supporting. I need a lawyer for this case but can't afford one. I declare under penalty of perjury that the foregoing is true and correct. Executed on May 19
