Application for the Extension of Time to File for Petition for Writ of Certiorari

Honorable Supreme Court:

Pro Se Petitioner, Joann Jefferson respectfully requests pursuant to Rule 13(5) of the Rules of this Court, for an extension of time of 60 days, for the filing of a Petition for a Writ of Certiorari to review the decision of the New Jersey Supreme Court dated November 16th 2018 denial of a Petition for Certification of the Judgment in the Appellate Division's June 22nd 2018 decision – A-005197-16.

1. Pro Se Petitioner, a disabled senior, in compromised health; Pulmonary Hypertension, Diabetes, Osteoarthritis, Chronic Bronchitis, Acute Emphysema, Angina, among other unforgiving maladies, exacerbated by intense stress and mental anguish is overwhelmed by the enormous amount of preparation, but is tenacious and determined to satisfactorily complete the process of researching, structuring, (booklet) formatting, coordinating and editing, in order to submit the instant Petition, in the manner that is befitting and acceptable to the Honorable United States Supreme Court.
2. The involved matter in the Petition for Certification of the Judgment in **A-005197-16** is of such enormous public import and Judicial imperative, that it must be reviewed by the Honorable Supreme Court, in the interest of Justice.
3. Thus, Petitioner regrets and profusely apologizes, for the unintentional delay, and contends that neither the Honorable Court nor the Respondent will be prejudiced.

Petitioner respectfully requests that the **Application for the 60-day Extension of Time to File for Petition for Writ of Certiorari** be granted and understands that the granting of this Application is discretionary and pray that it meets with favorable consideration.

I certify that the foregoing statements made by me are true.

Pro Se litigants are not excused from knowing the most basic pleading requirements; *Am. Ass'n of Naturopathic Physicians vs Hayhurst* 227 F. 3d. 1104, 1107 (2000), and must follow the same rules of procedure, that govern other litigants; *Kim King vs Victor Atiyeh*, 814, F. 2d. 565, 567 (9th Cir. 1987), however, the Honorable court should still act with some leniency; *Draper vs Coombs*, 792, F. 2d. 915, 924 (1986) and seek to **protect the fundamental Constitutional Rights**, of such a litigant.

Date: June 5th 2019

Respectfully Submitted,
