Re: Frances W. Lake  
v. Robert W. Wilkie, Secretary of Veterans Affairs  
Case No. 19-5526

This is a request for a Rehearing of above case, after receiving letter from Scott Harris, Clerk, stating a denial without explanation.

This request is presented in good faith and not for delay:

1. I was approved medically September 28, 2010. I was denied because I had not sent enough information regarding income; there were circumstances that hindered me -

I appealed through Courts - until my appeal to the Supreme Court - My last appeal was made after decision of 2/13/2019. I did what was recommended - sent proof of income to Regional Office in Montgomery, Alabama. My income is below M.A.P.R., I had no response.

2. VA was sent "another" complete file in mid-2019. to Wisconsin "take-in" Center

I was advised today someone is working on my file and I should hear by 10/22/2020. (through 1-800-827-1000)

3. This is my Certified response that my request to you is limited to your possible intervention in helping VA expedite this case earlier than 10/2020.

4. I am 86, and each year I seem to have more surgeries - the latest was 12/2019 - 3rd surgery on my right arm.

I respect everyone's help and courtesies - however, it has been 9 years.

I need extra income to pay for extra help, as well as taxes, I travel my medicine and supplies.

Thank you,
