

OFFICE OF THE CLERK
SUPREME COURT OF THE UNITED STATES

April 3, 2019

Clerk,

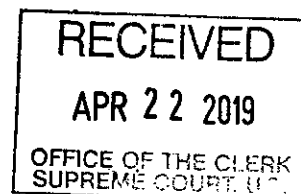

I appoligze for not sending all of the paper work on this matter I'm doing this Pro Se and this is my first time so please bare with me.

I received a NOTICE OF JUDGMENT it was dated as being filed: December 27, 2018 It was stated in the Judgment that I had 14 calender days to Petition For Rehearing and Petition For Rehearing EN BANC, I did not receive the NOTICE OF JUDGMENT here at Coffeewood Correctional Center until January 16, 2019 that was 6 days after the Court deadline and that was when I contacted the Clerk of The United States Supreme Court and requested a packet to file my case with the Supreme Court Of The United States. The case was in The United States Court Of Appeals For The Fourth Circuit, the case is No.18-7224, Kevin Yates v. Amy Harper, 1:18-cv-00777-AJT-TCB.

The reason I asked for the extension of time is as stated in the last letter is I'm only giving a limited time to work in the Law Library here at Coffeewood Correctional Center, I am only allowed 3 days out of the week and my time is 1:15 to 3:15 only 2 hours on those days and with the facility lock down for the quarterly shake down and the flu outbreak here I missed a lot of time and as stated before I'm doing this Pro Se and this is my first time so I am praying that the court will grant me the 60 day extension to make sure I prepair my case correctly.

In closed is the Notice Of Judgment and a copy of the front of the envelope that it arrived here in because we are not allowed to keep the envelopes that legal mail or regular mail arrives in and if you look in the top right of the copy of the envelope you will see the date that it was stamped that it arrived here at Coffeewood I was giving it the same day that it arrived here it arrived here at 12:06 PM I received it at 2:45 PM on January 16, 2019.

The papers I am sending can you please send them back because I need them for my Appendix for this case, and again I appoligze to the court for any inconvienece this has caused but

I am praying that the court will grant me this extension and again I am doing this for the first time and its taking a little longer than expected to finish my work on this matter, so I hope and pray that the court will grant me this extension.

Respectfully Submitted
