APPLICATION FOR EXTENSION OF TIME TO FILE
PETITION FOR WRIT OF CERTIORARI TO THE UNITED STATES
COURT OF APPEALS FOR THE FOURTH CIRCUIT

EXTENSION OF TIME REQUEST FOR A PETITION FOR WRIT OF
CERTIORARI

TO THE HONORABLE JOHN G. ROBERTS, JR., CHIEF JUSTICE OF
THE SUPREME COURT OF THE UNITED STATES AND CIRCUIT
JUSTICE FOR THE COURT APPEALS FOR THE FOURTH CIRCUIT:

Pursuant to Supreme Court Rules 13.5, 22, and 30, Petitioner respectfully requests a 60-day extension of time, up to and including July 18, 2019, to file a petition for a writ of certiorari to the United States Court of Appeals for the Fourth Circuit, to review that court's decision in David Green, Jr. v. Matthew Whitaker, No. 18-1717 (4th Cir. 2018) (attached as Exhibit A). The U.S. District Court for the Eastern District of Virginia issued its judgment on May 1, 2018 (attached as Exhibit B). The Petitioner timely filed a petition for rehearing to the US. Fourth Circuit Court of Appeals which was

accepted, and a Stay of Mandate filed on January 18, 2019. The timely petition for rehearing was denied by the U. S. Court of Appeals for the Fourth Circuit, and entered on February 19, 2019 (Attached as Exhibit C). The Petitioner intends to file a petition seeking review of judgment under Supreme Court Rule 12.2. I have attached copies of the majority and dissenting opinions, and the initial decision of the Merit Systems Protection Board. The time to file a Petition for Writ of Certiorari will expire on May 20, 2019. The jurisdiction of this court is invoked under 28 U.S. Code § 1254 (1). This application is timely because it is filed ten days prior to the date on which the time for filing the petition is to expire.

This case and the decision by the U.S. Fourth Circuit of Appeals presents substantial and important questions of federal law, United States Title VII Constitutional statutes, due process, merit systems principles, appellate procedure, and is in conflict with previous Supreme Court and U.S. Circuit court decisions.

Respectfully, an extension of time is necessary so that the Petitioner can continue to work to retain pro bono counsel that can provide services to assist in his case, which has been extremely challenging due to the limited pro bono services available. The Fourth Circuit granted the Petitioner in-forma pauperis status in December, 2017, but did not grant his request for attorney representation. This case is complicated and complex due to the number of

legal issues that are involved, and as a pro se, indigent civil litigant it has required substantial research and access to resources that are challenging to obtain, especially in light of the severe impact of the depletion of all income and savings in January, 2017, homelessness, and the repossession of the Petitioner's vehicle a few weeks ago, The Petitioner is also impacted by a health condition, and has encountered difficulty in gaining access to medication due to his financial status. All of the aforementioned instances of uncontrollable forces have impacted his ability to work on his case. The additional time will ensure that the writ of certiorari can be timely submitted, detailed, informative, and as concise as possible. The Petitioner respectfully requests that an order be entered to extend the time to file a petition for a Writ of Certiorari for 60 days, up to and including up to and including July 18, 2019.

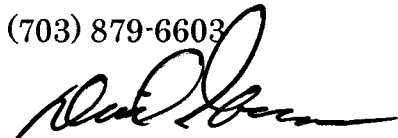

Respectfully submitted,

David Green Jr. (Pro Se)
