QUESTION(S) PRESENTED

Is it OK to Knowingly prosecute innocent NON-criminal Americans for conduct not in violation of statutes, And is it OK to Knowingly bring false witnesses to A Trial to deceive A jury and conceal A innocent Americans justifiable conduct.?

Post Oct. 1997 All Courts clearly deem such conduct OK to perpetrate upon innocent Non-criminal American Citizens.!

There is no lack of "Absolute undeniable proof" of the above, thus what does denial of relief to this innocent American deem these Courts to be.!

(I AVER that I've been entitled to relief for 22 years
And all lower courts wrongfully deprived me of
Such ? This is Question presented.)

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

4TH Amendment, 6TH Amendment, 14TH Amendment, 8TH Amendment, 9TH Amendment, of the United States Constitution, such protections have been denied to me.

Deliberate prosecution for statute violations that prosecutors were aware did not exist, AND incarcerated for such non-existent crime.

Violating - 18 USCS 2384, Sedition

18 USCS 2340, Torture

28 USCS 509B, Human Rights Abuses

2nd Amendment of the United States Constitution, right to carry firearm in my home, and subsequent justifiable self-defense, protections deprived to me.

STATEMENT OF THE CASE

In 1997, Lycoming County, Pennsylvania, prosecuted me for —>

- Theft of lost property, "But" nobody alleged to have lost any property, And sentenced me to 7 yrs. in State Prison.
- Carrying A firearm without A permit, "But" no permit is required to carry A firearm in my home, convicted and sentenced to 5 yrs. in State prison.

Altering I.D. Number on firearm, "But" no evidence was proffered of me perpetrating such act, sentenced to 5 yrs. state prison.

Aggravated Assault conviction with use of "Known false evidence, conduct was to save my life and justified as would of been clear if not for numerous Acts of wrongdoing by Trial Judge, Prosecutors, Public defender, — sentenced to 20 yrs state prison.

- Instrument of crime, But I did not perpetrate crimes, Sentenced to 5 yrs State prison.

At Age 39 yr old, sentenced on no prior's to 42 yrs in state prison, for crimes "they knew" I did not perpetrate — AS documents substantiate.

For 22 yrs. Courts have refused me relief, And I seek such from this Court.

REASONS FOR GRANTING THE PETITION

I A INNOCENT American Citizen Am being Tortured
daily with Agony After Agony, in violation of
U.S. Law 18 U.S.C.S. 2340. It is AN AXIOM that
A lawful SANCTION cannot derive from AN
UNLAWFUL Adjudication. UNCONSTITUTIONAL is
UNLAWFUL.

Consequently the Torture being perpetrated
upon me daily, is A Human Rights violation
IN regard to 28 U.S.C.S. 509B. And numerous
U.D.H.R. violations!

I Am About to turn 61 yrs old, and the
ceaseless daily torment, agonies, abuse's,
have caused many health issue, such as the
Cerebrovascular dementia that I am struggling
with to articulate this plea for justice, and
relief from this wicked wrongdoing upon me.

(Innocent Americans should not suffer in prisons.)

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Jeffrey Linn Miller
