REQUEST FOR COURT ORDER OR ACCEPTANCE

Petitioner Matthew Castro, pro se, moves this Honorable Court for an order to the Florida Department of Corrections Mailroom Official here at Hamilton Correctional Institution Annex to furnish Matthew Castro with a notarized statement or declaration setting forth the date of the mailing of Matthew Castro's "Petition for Writ of Certiori" that was mailed out on April 15th, 2019 along with the Motion for Extension of Time, or for this Honorable Court to accept the Florida Department of Corrections Legal Postage Obligations sheet showing the April 15th, 2019 date, that was attached to the request that Matthew Castro filed to be able to comply with the obligation set down in the letter sent to him by the Clerk Scott S. Harris dated August 12th, 2019. (See attached letter dated August 12th, 2019).

In support Petitioner states the following:

1. That Matthew Castro sent an inmate request asking if the mailroom here at Hamilton Correctional Annex would provide him with a copy of his outgoing legal mail for the month of April 2019 and all he got in return was this Legal Postage Obligation sheet showing his mailing on April 15th, 2019 to this Honorable Court Julie Carnes Supreme Court of the United States, 1 First Street N.E., Washington, District Court. (See Attached Request & Postage Sheet).

2. That he Matthew Castro had put postage on his Petition for Writ of Certiori and did not have enough postage for his Motion for Extension of Time that was mailed at the same time.

3. Matthew Castro files this "Request" in good faith to be able to comply with this Honorable Court's letter sent to him by the Clerk of Court on August 12th, 2019.

4. Petitioner also respectfully request that this Honorable Court accept that once an inmate puts his legal mail in the hands of a mailroom official it is considered timely filed. See Thompson v. Montgomery, 853 F.2d 287 (5th Cir. 1988) Cert. denied 488 U.S. 1014 (1989).

WHEREFORE Petitioner respectfully moves this Honorable Court to understand his situation and seeks this Courts help in accomplishing the task set out by this Court in acquiring the documentation notarized showing his mailing of his Petition For Writ of Certiori mailed on April 15th, 2019.

OATH / VERIFICATION PURSUANT TO 28 U.S.C. § 1746

I declare under penalty of perjury that I have read the foregoing Request for Court Order and the facts stated herein are true and correct. I further declare that this Request for Court Order is being filed in good faith.

RE: Castro v. Jones, Sec., FL DOC
(18A826)

Dear Mr. Castro:

The above-entitled petition for a writ of certiorari was postmarked July 26, 2019 and received August 2, 2019. The papers are returned for the following reason(s):

The petition is out-of-time. Justice Thomas extended the time in which to file a petition for a writ of certiorari in the above-entitled case to and including April 18, 2019. Therefore, the petition was due on or before April 18, 2019. Rules 13.1, 29.2 and 30.1. When the time to file a petition for a writ of certiorari in a civil case (habeas action included) has expired, the Court no longer has the power to review the petition.

An otherwise untimely petition being filed by an inmate confined in an institution may not be docketed unless it was timely deposited in the institution's internal mail system and is accompanied by a notarized statement or declaration setting forth the date of deposit in the institution's internal mail system and stating that first-class postage has been prepaid. Rule 29.2. The petition may not be filed until the required affidavit or declaration is received.

Sincerely,
Scott S. Harris, Clerk
