FINANCIAL STATUS AND INDIGENCE

After 2007, when I was fired after sexual harassment, I was left without income, and denied disability.

My family has to use my dad's Veteran's benefits, and his pension to pay my bills to live.

I was denied every lawful means of benefits & welfare. The state was trying to invent false mental illnesses when I temporarily was given benefits.

I had to start a go fund me, which was canceled on me.

I had strangers donate to me and help me pay my bills and cost of living as well as my family.

I have sold possessions to survive.

My YouTube earnings since 2012 have been less than \$1,500 a year because they steal them all.

I have used credit cards, and still do, and taken loans out.

I don't get benefits until I turn 65, where I can collect my social security.

I should have my own personal injury money that I won by the law and the default in Framingham court of the insurance company,

I have won by default the cases at bar, and I need that money to live and take care of my family who has been paying things for me for years.

AFFIDAVIT

I, Natasha DeLima to file this case after unlawful dismissal, despite defaults and non-party's submitting pleadings, in violation of the law.

I seek this court to uphold the Constitution, and to rule in accordance with that, and order that all of the Respondents pay damages, and restore my personal property, and that of others. That the Respondents cease to hack, tamper, destroy, delete, censor, shadow-ban, and otherwise destroy virtual property.

As we are all owners of our own virtual property, housed in web sites, as long as those web sites exist, so does our property.

The courts cannot allow for the Respondents to discriminate and go after their own "tenants" or property owners & dissect their content based on their own biases.

This case is imperative for the rule of law, and for virtual property rights. I am the voice of millions of targeted users, and have felt the mental abuse, blackmail and harassment for lawful and real content.

The court needs to make the internet safe for all, and to stop allowing for a lynch mob on specific users.

I pray upon this court for justice for myself, as I am the voice of many, and I pray upon this court to establish virtual property rights.

Signed
