FINANCIAL STATUS AND INDIGENCY

After 2007, when I was fired after sexual harassment, I was left without income, and denied disability.

My family has to use my dad's Veteran's benefits, and his pension to pay my bills to live.

I was denied every lawful means of benefits & welfare. The state was trying to invent false mental illnesses when I temporarily was given benefits.

I had to start a go fund me, which was canceled on me.

I had strangers donate to me and help me pay my bills and cost of living as well as my family.

I have sold possessions to survive.

My YouTube earnings since 2012 have been less than \$1,500 a year because they steal them all.

I have used credit cards, and still do, and taken loans out.

I don't get benefits until I turn 65, where I can collect my social security.

I should have my own personal injury money that I won by the law and the default in Framingham court of the insurance company,

I have won by default the cases at bar, and I need that money to live and take care of my family who has been paying things for me for years.
