Justice Breyer Concluded that the ordinance violates the Constitution because it delegates too much discretion to the Police, and it is not saved by its limitations requiring that the Police reasonably believe that the Person ordered to disperse (or someone accompanying him) is a gang member, and that he remain in the Public Place "with no apparent purpose" Nor does it violate this courts usual rules governing facial challenges to forbid the City to apply the Unconstitutional Ordinance in this Case. There is no way to distinguish in the ordinance's terms between one application of Unlimited Police discretion and another. Its is Unconstitutional not because a policeman applied his discretion wisely or poorly in a particular case, but rather because the Policeman enjoys too much discretion in every case. And if every application of the ordinance represents an exercise of Unlimited Discretion, Then the Ordinance is invalid in all its applications. SEE *Lanzetta v New Jersey* 306 US 451, 453 83 Led 888, 59 Sct 618. Contrary to Justice Scalia's suggestion, the Ordinance does not escape facial invalidation simply because it may provide fair warning to some individual defendants that it prohibits the Conduct in which they are engaged. This ordinance is Unconstitutional, not because it provides insufficient notice, but because it does not provide sufficient standards to Guide the Police SEE *Coates v Cincinatti*, 402 US 611, 5614, 29 L Ed 2d 214, 91 S Ct 1686

## Reasons For Granting the Petition

The First Circuit Court asked the District Court to issue a ruling on Adam Strege then pending Bail motion and to supply a Statement of reasons for its referral to a Custodial Competency Evaluation. The District Court now has done so. The "So" word is a separate sentence and I never received the new Competency reasons and Bail Ruling the District Court never issued them and only issued a 8/7/2019 Order Denying motion for Recusal and I filed Notice of Appeal on all 3 Court Orders then filed a Motion to Vacate abandon the 2nd Collateral Order Appeal with no response then The 1st Cir Judgment September 24th only considered Judge Recusal Collateral Order indicates the District Court never ruled on The Bail and Competency. I was not given 50 Days to file a Collateral Order Brief I never filed unless it was my Mandamus for Discovery dismissed as a Competency Evaluation Mandamus should have been a 2nd Collateral Order Judge Recusal Liberty right to avoid Forced Medication.

The First Circuit Clerk wrote in the Docket "Compel Discovery Writ of assistance" in 1st Mandamus. The 2nd Mandamus very 1st Page Words "Writ of Mandamus to Compel Discovery of SSA Transcripts and Judge Recusal."

To Constitutionally Inshure everyone has a Fair Hearing the Supreme Court should require (1) Evidence Hearings before Psychological Exam and Forced treatment is a Valid or Invalid Commitment Order or there could be a 2nd Commitment Hearing or 2nd Psychological Evaluation the Judge will Order it with Zero Explanation and not answer my Discovery Motion appeals 10 Times in the Supreme Court or 10 Years to determine Competency with no Final Judgment 4241(d) is Unconstitutionally vague allowing the FBI to arrest people for making a Phone Call and they never have to provide the Phone Call Transcripts is Discriminatory. (2) Equal Protection of the Laws 100% of all Defendants should take a Competency Test before the Detention Hearing and 4241(d) Court Orders "Reasonable Cause" with 100% no Foundation in Reason and Reality.

(3) There is no Probable Cause to arrest people for making a Phone Call without listening to the Phone Call First there is no Reasonable Cause for a Psychological Exam Treatment only because the FBI wrote something incompetent there "Reasonable Cause" with no Explanation can find anyone in the world incompetent would prevent anyone from representing themselves in Court anyone the Court doesn't like people that says the Government broke the law is found incompetent.

The FBI arrested me for calling a Social Security ALJ office asking what I can do when Social Security refuse to file all my Documents Mandamus
