

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 20, 2019

Honorable Danny Bickell, Deputy Clerk
Supreme Court of the United States
Office of the Clerk
1 First Street, N.E.
Washington, D.C. 20543

Re: *John Ramirez v. Lorie Davis*, No. 19-6426

Dear Mr. Bickell:

This is to request a second thirty-day extension of time, up to and including January 29, 2020, in which to file a brief in opposition in the above-styled cause. The Court docketed the petition for a writ of certiorari on October 30, 2019, and granted the undersigned's first request for an extension. The undersigned has been unable to devote adequate time to the brief, as she has been out of the office due to her child's surgery. Thus, the undersigned requests additional time to file the brief in opposition in the above-styled cause. This is the second extension of time requested by the Director.

The undersigned has conferred with counsel for petitioner, Seth Kretzer, and he stated the requested extension is unopposed. Thank you for your consideration of this matter.

Sincerely,

s/ Jennifer Morris _____
