

IN THE SUPREME COURT OF THE UNITED STATES

NO. 19-6578

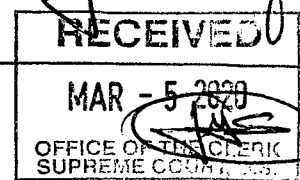

Smith v. Washington

MOTION FOR REHEARING PER RULE 44

Comes Now Petitioner in Good Faith AND NOT FOR DELAY, but rather for acceleration of revelation and manifestation of Justice, to file this Rule 44 Motion for Rehearing that is timely (submitted per GR 3.1 & SCOTUS Rule 29.2 within 15 days of the Clerk's 2.13.20 letter).

The "intervening circumstance of substantial effect" is that State & State officials continue to use an ultra-vires imprisonment of an innocent man as a weapon to conceal their own significant crimes against the Petitioner, his interstate & international corporations, AND, most primal to this Court, the US Treasury itself.

1/2

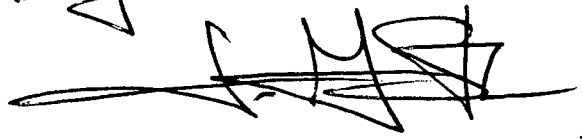

No. 19-6578

Briefly & Distinctly, multiple State officials have collapsed into consummate Summary Judgment Default on the order of billions of dollars DUE THE US TREASURY, due to their systemic, averred & proven crimes that continue to sabotage interstate & international commerce, and OBSTRUCT CASH FLOW VIA TAX REVENUES TO THE US TREASURY, in violation of 18 USC §1030 and §3 & §4.

If not for an innocent & productive man, this Court should intervene for Law & Order.
If not for Justice, then at least do it for the financial benefit of the Nation.

Sincerely Submitted on this 25th of February, 2020.

J. Garrett Smith, PE
