SUPREME COURT OF THE UNITED STATES

SUPERINTENDENT ALBION SCI, et al., Respondent(s)

CERTIFICATE OF GOOD FAITH

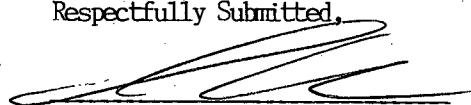

COMES NOW, Gregory Alan Rowe, Petitioner, Pro Se, and makes certification that his petition for rehearing is presented to this Court in good faith pursuant to Rule 44. The following is presented in support:

1. This Court entered its judgment denying Petitioner a writ of certiorari on February 24, 2020. Petitioner believes that he presents this Court with adequate grounds to justify the granting of rehearing in this case and said petition is brought in good faith and not for delay.
2. Furthermore, Petitioner believes that based upon the law of this Court, the United States Constitution, and the facts of this case, he is entitled to relief which has been unjustly denied to him.
3. He further believes that if the Third Circuit Court of Appeals is permitted to unlawfully suspend a petitioner's right to Federal Habeas Corpus Review for no valid reason, a number of people will be denied their constitutional right to Due Process and Equal Protection of the Law pursuant to the Fifth and Fourteenth Amendments.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 15 day of March, 2010.

Respectfully Submitted,

  
Gregory Alan Rowe
