**AFFIDAVIT OR DECLARATION IN SUPPORT OF MOTION FOR LEAVE TO
PROCEED IN FORMA PAUPERIS**

I, , am Petitioner in the above-entitled case. In support of my motion to proceed in forma pauperis, I state that because of my poverty I am unable to pay the costs of this case or to give security therefore; and I believe I am entitled to redress. I further note that I am currently outside of US borders and was prepared to pay the court fee, courier delivery charges and professional printing costs (\$ 1,200) in which my private party sponsor at the latest moment to have this done such reneged on deal to forward such funds to the Cockel Legal Brief group all at the behest of Respondents. Here (see email colloquy where Petitioner). I was forced to convert the paid brief already completed to IFP case.

A state agency has authorized the taking of the parcel outside of law by engaging onto Petitioner *Denial of Access to the Court* and *Obstruction of Justice* (under Civil RICO predicate) to facilitate the usurpation. Such then for agency to illicitly turn over the parcel to a state employee -the sibling of Petitioner in a sham divestiture of title via a bogus adverse possession claim and impermissible fraudulent deed claims. This where recent state judge had denied Petitioner OSC motion to regain control rents from 3rd Party collected by state defendant. This all despite a long prior state court ruling to confirm Petitioner's title to the property. Without such rent proceeds I may not travel to foreign locations to partake in this temporary vocation on an ICIJ affiliated journalist. Petitioner had survived off a small \$150 (which ends in December 2019) stipend by a neutral party sympathetic to Petitioner cause of fighting against state court rigging of cases of Constitutionally protected persons.

As I've remained since October 4, 2001, either on US soil in "entry fiction" or largely in the 3rd World in this "exclusion" from the United States and so to speak the rest of the Western Hemisphere for prior criminal conduct. I'd lose all of my savings and assets including my own homes in New York and the Bahamas (leased) to foreclosure and delinquent payments, earned by me in the near six years of immigration detainment over the issue of my admissibility into the US. This after my being the first litigant to bring *Fleuti* to the High Court. This being where pet-cert was denied only to be granted on the same grounds in *Vartelas*. Such landmark on *Fleuti*'s non-retroactivity in the High Court holding I fall within the ambit of those who could now move to overcome inadmissibility but I'd relent and will continue to remain outside of the United States. As it is NYS agency at the behest of the sibling wishes to depose me from a property that I had inherited over the sibling for which title was confirmed by a prior state court. For 20 years I had shared the benefits of the sole estate residue with the non-heir brother who wishes now to have the property for himself on and sought of state/quasi state actors to facilitate such. Specifically here I had anticipated this matter might reach the High Court and had included in the Contract of Sale a term that'd allow for a stipulated amount of legal/court to be relinquished to fees/expenses but as seen in papers attaché here property buyer Adam Glassman on explicit direction by counsel Attorney Michael Romano refused to forwarded the printing and court fee to Andy Cockel at Cockel Legal Brief for processing of the paid petition that was ready to go all at the last minute under pressure from Respondents. They wish for the serious Constitutional claims here to not see the light of day. As the record shows Glassman otherwise forwarded prior \$505 appeal fee to the COA 2nd Cir (CMD No. 26)

I declare under penalty of perjury that the foregoing is true and correct.

Good day How are you ? At this point and as i discussed with Attorney Romano. I would like to have an amount OF \$1,000 forwarded to Cocket Legal Briefs in Omaha, Nebraska to specifically Andy Cocket .This be hopefully by this Friday or Monday the latest. Again this is not a demand but it is a kind request on an urgent basis between contractees. The amount that would be left in the legal fees balance is certain to be \$900 or over. Your attention to this matter would be greatly appreciated.

Sir Adam

I said nothing about sending me a dime -this has an ongoing matter with you twisting and contorting what I said . I asked you originally that you should please send to Andy Cockel \$1000 in Omaha by WU. After consulting with him and his group the WU payment to the owner is unacceptable, So it would have to be to the alternative of a check to the amount of \$1,200 (with an additional 200 for the service of papers he insisting only yesterday after a quote 2 weeks ago of 1000 even) but if you insist to stick to \$1,000 the other 200 can come later. I assume that you dont want to use your credit card as that most people don't care for. So please kindly issued a check for such amount made out to Cockle Legal Briefs and in the memo section Attn Andy Cockel Kindly do so by Friday that is tomorrow October 25, 2019 or over the weekend to Monday.

Now please for sake of peace in the future be candid in your assertions- if you can do this I would appreciate it but still it is your duty according to the terms . Might I remind you n the agreement the amount is for legal fees in the direct ejection or the collateral actions that flow forth from it. Such does not state "attorney fees" and in any event I am playin the attorney role to the hilt where I am consumed by it. Thank you ole boy. Remember i am not asking you to go over the set limit of legal fees and it is going to a legal service provider there can be no further question. Where I have you down as funding the very start of this matter in December of 2018 so way balk now-its not your money cowboy its mine that I have to pay back

Best Regards
Salim

Attorney Romano

Good day. As to this matter of you speaking to Andy Cockel is really inappropriate. Your dont represent me and I at this point am not sure if our interests in this thing are aligned. In all candor I see the GCV just looking to tack on an inflated bill onto the

property for nothing. This barratry is creating serious problems for me where i could be doing my work. Secondly I have a chess mindset when i delve into this legal craft and having your strategies go out open to the world like an IPO is not so swell. The last time this happened with your guy look what happened with the other LP. Now you have been a lawyer for a couple of year the name Cocket should be in your mind someway even if you never tangoed in fed court before.

Now in the start of this affair same action your client turned over to me personally \$600 with out hesitation and the money was properly spent on the action. In in the feds multiple copies and binding is must. Now it seems there is a problem with sending the dough direct and that you need to speak with the legal service provider where he (otherwise his family) has an illustrious history spanning almost 100 years. So please lets do away with that sir. I beg of you. in the name of attorney client-and legal service provider privilege I would ask that you not get into that.

In fact after communicating with Andy just yesterday the move for remitting by western union is out. and Adam would not want to give up his credit card number that leaves a check as payment \$1200 now or \$1, 000 now with 200 (for service of process fees that Andy insists on tacking after the \$1000 quote I got from him early on) to be sent out latter for the full project to be done

This is to be made out to "Cocket Legal Briefs" and for which in the memo section is read "Attn; Andy Cocket"

I read your email below. I am advising my client NOT to send any money to Andy Cocket in Omaha unless I speak with Mr. Cocket first.

As for your motion, we have filed our opposition. Let's have the court make a decision. Please discontinue your unnecessarily long, daily emails of jibberish. It is a waste of everyone's time to read through this every day.

Hello:

We accept credit cards or checks but cannot accept Western Union payment. I recommend sending the copy as soon as possible in PDF/A format. Our analyst will give you an estimate including the filing fee and delivery. I noticed the estimate in your email did not include delivery costs. Typically those are in the \$200 range.

Sincerely,

Andy

OK on the matter of the form of payment . A check it will have to be. No problem on that.

After this there's the matter of the "estimate" in my letter last night. After speaking to you at length on October 10, 2019 telling you of all of the parameters here of my petition (including doing my own formatting, 9000 words of pertinent text, one attorney to be served for 11 Respondents and the desire to use regular postage over FedEx such that the parcel would only need a December 3, 2019 or earlier postmark) in which you had analyzed such situation and quoted 700 for the job and 300 for Supreme Court filing fee. This as being the "bottom line" for the servicing

As you state now that we should send another \$200 that's not a problem either as "estimates are subject to adjustments. The additional \$200 can follow shortly afterwards. Such where the \$1000 disbursement had already been sought out the necessary authorization first. Thank you for your swift reply. Such petition digital file is to be forthcoming by email.

Attorney Romano:

Well then in a flip to Supreme Court Justice Blackmun's famous quip- then your client has a "fool" for an attorney in telling him to not keep up with his end of contract If you don't want me to tell you the long sweet truth in my responding .stop telling short falsities from the jump. You sent me a communication i replied. This was just another detailed response to another one of your ridiculous demands that you have no shortage of. You should not get hostile with me in you frustration for your pattern of filing bogus actions filled to the rafters with 'untruths". And for the record in the emails to you and your team I stated **as of late for your client to send the funds to**

Greetings and Good Day! You and I had spoken over the phone in which you had given me a quote of \$700 for the "camera ready" print work to be done so as to forward my petition for writ of certiorari to the US Supreme Court. This was then to tally amount of 1000 whence include filing fee. So what then is the acceptable form of payment. Could I have my associate remit to you the \$1,000 under the name "Andy Cockel" by Western Union. Or would you prefer some other form of turnover. Please let me know as soon as possible. I've already left a message on your machine. Actually some electronic means of transmission of the funds would be best - really My deadline date is December 3, 2019. I await your response. Thank you for your past assistance and courtesy.
