AFFIDAVIT OR DECLARATION

IN SUPPORT OF MOTION FOR LEAVE TO PROCEED *IN FORMA PAUPERIS*

I, Margaret Guevara, am the Petitioner in the above-titled case. In support of my motion to proceed *in forma pauperis*, I state that because of my poverty I am unable to pay the costs of this case or to give security therefor; and I believe I am entitled to redress.

1. I have no spouse so the following will be sources for me solely for the past 12 months, and amounts that was received weekly biweekly, quarterly, etc to show monthly rate. Use gross amounts, that is, amounts before any deductions for taxes or otherwise.

CHILD SUPPORT	I have been ORDERED to pay \$899.00 child support, plus \$199 back child support which is calculated based on making almost \$70,000.00/year from back in 2007 which is impossible for me to pay – and I'm still being charged this amount for all these years even though I did not work that amount at the time of calculating so when that child support is deducted from my salary, I make \$20 or \$60/week which is impossible for me to live on

11. Have you paid – or will you be paying anyone other than an attorney for services in connection with this case? NO... if services are offered free, otherwise, I have no funds to pay anyone to help.
12. **Provide any other information that will help explain why you cannot pay the costs of this case.** Due to being falsely charged in the New York Criminal court which has left me with 3 misdemeanors by the same corrupt people that is illegally charging me child support for all these years at a rate that was calculated at the highest salary I earned in New York, and was earned over a year before it was calculated, so it was NOT ethically calculated as at the time I was NOT earning such funds, but this was in retaliation to demanding I give them my relative's funds under the auspices of collecting child support, because I had POA over my relatives' funds. Since I would not and turned over my relatives' funds to the government instead (Medicaid); AND I exposed my ex-husband, Mark Padin's hand-written note that named the hierarchy of lawyers and judges that guaranteed he would win our divorce, (copies are attached to Writ) they had him beat me up, and blocked evidence in criminal court so that I could not be acquitted, but instead had me charged the 3 misdemeanors. It has been since 2008 and I still cannot get a good job because no one wants to hire someone with a criminal record!

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: December 13, 2019.
