Request for Extension of
Time to file Petition
for A Writ of certiorari

Kent Williams, petitioner, Requests a 30 day extension
to file his (potential) writ of certiorari.

Williams' timely motion for rehearing en banc
was denied ("Filed") August 29, 2019.

Reason

I, Kent Williams, Declare that I am a

prisoner in the Idaho Department of corrections. Within days of my lower court denial, zd. Z asked the prison "Paralegal" to get me a "cert form" which explains the procedure. Z asked & what the time limit is to file. He guaranteed and promised me it was 6 months. For the next 45 days Z sent him almost daily requests for the cert packet. It took him that long to deliver one to me (Z am in segregation, did not help). When Z got the form Z seen it is 90 days not 180 and am caught off guard.

In addition, there has been an on going problems with timely service from the prisoner "resource center" (we do not have law libraries). Once Z have completed the Petition Z anticipate it taking up to 3 weeks just for Photocopy service.

Please give me 30 additional days from the August 29th, 2019 date.

Thank you, Kent Williams
