Questions

(5)

is it fair for fed govt to prosecute me without 1st doing DNA ancestry test on me as O.C.G.A. 4d-13-3 state law requires any law to terminate if I am a British Nellie so have diplomatic family immigrated to USA as O.C.G.A 4d-14-14 and O.C.G.A 2-3 page 2 says I'm to be deported next to London England before I'm 18 years or is that a mere legal claim as 18th is my age

(6)

which is my legal name for fed and state gov. also by name preference, I was born Lehmann Wayne Lemmons Jr. but cause of my mother applied for Hamilton County circuit court instead messes to change my name to Daniel Eric Lemmons against my will and neither names did I ever get any birth certificate or SS# or any gov. or gov. help in my life of all but cause of my mom and husband accepted me

## Questions

S continues

and changed my name to Daniel Eric Cobble, but age 5 my mom divorced him and from except of Silverline may 1980 Chattahoochee for lesser child to D-45152

Shows Judge told my mom only way she can keep custody of me would be if my son adopted me Joe Cobble with also adopt me and change my name to Daniel Eric Castleberry and Ben Castleberry and Joe Cobble and my mom all agreed and my mom kept custody of me, I ask this to show Cobble ceased to exist in 1980 and Castleberry started, so feel you lacks jurisdiction to prosecute me as I am not Cobble anymore but feels refuse to accept my claim as reality as it is this a mereless claim when I never used name Cobble, only you does against will

STATEMENT OF THE CASE

I told a federal Judge if de  
ATH of the Government period did  
not investigate my claims of  
innocence for what I am in state  
prison for as Skinner v. uphoff  
U.S. Dist. Wyoming does requires of  
them and to quit lying in their  
habeas Petitions that I would kill  
their kids, but instead of investigating  
they charge me with fed crime  
of causing threats to be sent to  
fed Judge by U.S. mail, I am in  
prefilled fed custody almost 5 years  
now due to psychologists saying  
nothing wrong with me but my  
Deep Brain Scan results says  
same thing over 80 in RT is said  
as a child my Brain is forever  
damaged with NON-drug caused  
injury for over 25 years my Brain that  
no one else on earth has this type injury

REASONS FOR GRANTING THE PETITION

① It's evil to prosecute me for  
elling - fed Judge to either  
investigate my claim of facts  
Cobb police and wicct staff  
PRISON COT team assancky  
me then making up this  
new story that never  
happened to cover their batters  
that imprisons me over 18  
years now and kill  
Kids, without 1st investigating  
my claims of innocence  
when Skinner v. Updike  
Requires an investigation  
since no one ever  
investigated in the 1st place and  
particularly since I have  
severe Brain damage

② The court lacks jurisdiction to prosecute me since I  
asserted that I am not subject to jurisdiction  
by declaring war on my  
government

③ It's contrary to OCGA  
42-13-2 and 42-14-14 and  
2-3 page to try me without DNA  
ancestry testing me to see if I am of  
dipomatic family <sup>CONCLUSION</sup> British nob  
blood or not

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Daniel Lee Wolfe

Date: 10-25-79 (not aging in on 11-7-79)
