RE: Janice Baker v. Macy's Florida Stores, LLC
No. 19-7191

Dear Mr. Bickell:

Per Rule 30.4 Respondent requests a thirty-day extension to file its *Brief in Opposition* per Rule 15, *et seq.* Petitioner is *pro se* and her *Writ* is defective in so many ways that we want to be thorough in pointing out the fatal flaws. Primarily, however, I need additional time to apply for admission to practice before the Supreme Court. I should be admitted within the extended deadline.

Sincerely,

Brian L. Harvell, Esq.
