Subject: [Guy v. Lampert] Request for consent to file amicus brief in support of petition for certiorari

Mr. Ali,

My name is Matthew Callahan. I am an attorney with Muslim Advocates, a nonprofit that advocates for religious freedom for Americans of all faiths.

I am seeking the petitioner's consent to file an amicus brief on behalf of Muslim Advocates and other organizations in support of petitioner JonMichael Guy's petition for certiorari in the case Guy v. Lampert (Supreme Court case no. 19-725). Please let me know if we have your consent.

Please feel free to reach out to me if you would like to discuss, either at this email address or at (202) 897-1892.

Many thanks.

Matthew W. Callahan
