QUESTION(S) PRESENTED

1. whether With the facts and circumstances surrounding case No. 3:18-cv-2900-S-BN from the united states district court, northern district of texas, dallas division and case no.19-10547 from the fifth circuit, regarding a file and reference number 1025063,indicating and Implicating Veterans Affairs involvement, doing business as the United States of America, where evidence was presented that was more than mere scintilla, in light of the fact that as Judges being employed by the Respondent that Bias and favoritism didn't play a roll in their recommendations, opinions, orders, judgements., and Dismissals.
- 2.Whether or Not any Evidence Presented was going to be sufficient Enough even when there was Substantial evidence for the courts to see the Truth and can see that there are Civil and Criminals activities involved
- 3.Whether the Equitable Doctrine was deliberately Ignored and Overlooked,,Knowing that the Plaintiff, Appellant, Petitioner , despite use of due diligence,could not, did not discover the incidents until after statute of limitations period.
- 4Whether in weight of the Facts and Circumstances that Prompted the Pro-se filing in the First Place, evidence exists, of the Fraudulent Concealment of the claims and of other type of Non-Discovery of her rights ,that is causing issues with diagnosis, contributing to the withholding of medical information, that would confirm the diagnosis., and consideration of the Petitioner Not being an attorney and missing deadlines to file is just a mere technicality, that shouldn't have been used to deny the motion to Reopen ,extend the Time to Appeal.
5. whether the Errors in the findings, conclusion and recommendation of the U.S. Magistrate Judge should have been considered, The Petitioner was not a veteran.
6. Whether The Supreme Court will acknowledge that this is Exceptional, Extraordinary circumstances that warrants the exercise of its Power and that no adequate relief can be obtained in any other form or from any other court.

STATEMENT OF THE CASE

This Petition for a writ of certiorari, along with the Pro-Se filings have been forced upon the Plaintiff, Appellant, Petitioner because of an Unlawful improper act committed without the knowledge of the Petitioner she was Omitted from the Proceedings. There have been many correspondances made to the Respondent to resolve this which is ignored. The 19-10547 filing was not Frivolous because Plausible facts was put before the u.s. district court as well as the 5th circuit court of appeals. The Petitioner have contacted numerous attorneys and others in authority about the incident and because of the united states federal agency VA being involved, No one is willing to Pursue, leaving me in a bad Predicament Physically, Emotionally and many have taken advantage of the Plight. This truly is an Exceptional and Extraordinary Circumstance that need The United States Supreme Court to Intervene help make it right in the eyes of the Laws and constitution, Foe the Petitioner is a Natural Born Citizen of the United States of America, who have never done any wrong to her country. The Intervention of the U.S. Supreme is my only hope for Recovery and Rectification.
