Petitioner's "Motion to Expand Scope of Order to Show Cause," filed December 30, 2014, is construed as a request for leave for petitioner to supplement, with the facts and argument in the motion, Claim I of his petition for writ of habeas corpus filed on December 14, 1999, and a request to expand the order to show cause issued on December 20, 2007, to include the subclaims addressed in the motion. So construed, the request to supplement the petition for writ of habeas corpus is granted, and the request to expand the order to show cause is denied.
