Re: *Louis Taylor v. Pima County, Arizona, et al.*, No. 19-756
Letter Motion for Extension of Time to file Brief in Opposition to Petition for
Writ of Certiorari (first 30-day request)

Dear Mr. Harris:

I represent Respondent City of Tucson (“City”) in the above-captioned case. Pursuant to Rules 15.3 and 30.4 of the Supreme Court Rules, the City respectfully requests a 30-day extension, to and including February 12, 2020, to file a response to the Petition for Writ of Certiorari filed by Petitioner Louis Taylor on December 12, 2019. The City’s Brief in Opposition is currently due January 13, 2020.

Pima County, another Respondent in this case, filed a similar letter motion for extension of time to file brief in opposition on December 31, 2019, likewise seeking a 30--day extension from January 13, 2020 to February 12, 2020. Pima County’s requested extension was granted on January 3, 2020.

The City’s requested extension will allow undersigned counsel to either:

- (1) fully respond to the complex and factual and legal issues raised in the Petition; or
- (2) coordinate with Pima County and this Court so that the City can join in any Brief in Opposition filed by Pima County, thereby avoiding duplicative briefing.
