## Questions Presented

**Premises:** *Can this man Reverse- Fraudulently Incurred Jail-Bond-Contracts, with Public and Private Corporate Entities, by Implementing his own Legally Binding Terms of Service Contract, for a Set Value of His Choosing while agreeing to Participate Voluntarily Where Fraud is being Rationalized through an Elaborate System of Legal-Coercion, a Legal Art form of Reporting Inflated and False Charges, that are Especially Unconstitutional on their Face, with the Goal Being, "To Secure Power of Attorney", and to ""Create a Security Instrument, "Billable to the Public""', using his Legal Identity without HIS Permission?*

1. Does this man have a Right, to Implement a Binding-Counter-Contract, with a Public or Private Organization /Corporation, whom are Acting Against the Publics Best Interest, Arresting this Petitioner & People, and Converting His & Their Identities into \$3000.00 Per Arrest Paper Assets, which this man Recently Found-Out, From a Nurses Son who's Mom Works at the Portland Justice Center and Is Upset, his Mom is Ready to Quit Her Job, so as not to have to Feel Responsible for These Fraudulent Actions?

Sometimes Victims, Like this Man, when this started almost ten years ago, Was Arrested Multiple Times, after losing a trial and being Confined for 30 Days on a Violation, then this man Was Released, Arrested, Released Again, and Again as an Apparent Object Lesson, Seven Times in a Week, also Being Put in Horrific Conditions; Cement Slabs, Corn Seed Maggots in Food, Solitary Confinement, and If You Complain, Prolonged Harassment, as Witnessed and Experienced by this Petitioner, for Untold Profits Paid For by the Tax Payers, and Pain and Misery, With-Out Consideration for this man?

2. Does a Victim of ID Theft - Through the Booking Process, Conversion - by turning Violations into Crimes, Human Trafficking by Force, Corrosion and False Imprisonment without a Cause {Lack of an Injured Party}, have a Right to Seek Remedy with a Privately Executed Contract, which Is To Say, it should be Activated during the Arrest and Before Arraignment Is Completed by Acquiescence, also Demand Consideration for Title 18 U.S. Code § 1962 - Prohibited Activities, crimes, where Public Enforcers are Committing Worse Crimes, than the Violations the Petitioner /Detainees are Committing, who are truly the ones Creating the Revenue Stream, by having Our Names Processed, like a Machine That Counts \$100 Bills, men and women Taking Photos, Taking Finger Prints, and Taking Signatures, then Victims Reluctantly Accept Charges through an Elaborate Arraignment Process, Designed by Attorney's as a ""Fool Proof" DEBT COLLECTION PROCESS", Trafficking in Human Cargo and the Destruction of this man and Countless Thousands of Other Lives, this is not a Feel Sorry for me Scenario, this is just a Sad Fact?

3. Is there Remedy from Officials who Violate their Oaths of Office and Other's, Fundamental Constitutional Rights, by not Protecting the Public, but Instead Harass, Intimidate and Charge People with Frivolous Accusations like this Petitioner, with Overlapping Court Dates, Multiple Arrest, Pre-Trial Probations, Failure's to Appear, then Converting them into Crimes, Fines, Fees, until Further Encounters, Inflated Accusations by Over-Charging, and Always Scaring Petitioner /People into Plea Bargains, which Everybody Knows, Ain't No Bargain, in a Vain Attempt to Obtain Release from Jail, only to be Further Processed at a Later Date, and Rendered Useless for Society, and Denied Favor by Family & Friends, who do not Understand the Fundamental Underlying Corruption that this man Discovered and Uncovered, herein, and still in the Shanghai Capital of the World, for More Years than he Wishes to Remember?

4. Did this Petitioner Cause the Creation, Activation and Commencement of a Legitimately-Binding-Counter-Offer-Contract, Designed and Delivered to Arraignment-Administrator, Angle Lopez Bar # 790780 at Arraignment Court on October-1-2010 with a Terms of Service Contract for Valuable Consideration and the Agreement that Webster would Participate in The Lawyer's Sales Game, for (300 face in Actual Gold or Silver Coining per hour for his Time), because of and In-Regards to the Fraudulent Nature of Portland's Legal System and its Need-to-Arrest this man as Many Times as Possible?

While in the Meantime, Webster Continues to Pursue a Positive Out-come with Multnomah & Clackamas Counties Judicial Systems, of Catch and Release, and continue to Informing Them /Employees of his Terms of Service Agreement for Violating His Rights, while Several Key Employees, Continue to Mock and Harass Him, and having him Arrested Five Time in the Last Five Months for 2, Three Year Old Violations, being Continually Tracked, at Different Times Through the Years, Especially when Proceeding at Critical Times In the Legal Realm, this happened, Once at His Home & Four Times in the Court House doing business, They Brought Him In For, all for him Defending His Rights and to Seek Remedy while on a Completely Biased and Un-Fair Playing Field of the Worst Kinds of Attorneys the so-called Criminal Defense Attorney's and Criminal Prosecutors acting out of a so-called Concern for the Public's Best Interest, but Unfortunately in Practice, this is Very Sadly Not the Case, that is why These Sorts of People Justify Their Behavior while Arresting, Handcuffing, Finger Printing, Photographing and Worse?

5. Is Corvel Enterprises Ultimately Responsible for their Client's Actions and this Petitioners' Injuries Sustained while he was Working in the Kitchen and then Discarded with Persistent Injuries and left without Employment by Multnomah County, proven by Ms. Reynolds Letter (p.31-32) "If this patient is not working, YOU folks need to find out why--we have not authorized any time off?" that was Multnomah Counties prior Private Self Insured Corporate Insurance /Bonding Companies CCMSI's,

**Theresa Brady Protecting Multnomah's Corrupt Behavior before Corvel took Webster's Workman's Comp Claim (p.36) soon-after, They Paid Medical Bills, Great, but does Webster Have A Claim?**

6. Is the **Self-Executing Contract** (p 23-28) that the **Petitioner Delivered to the Court-Room Floor while In Restraints**, a **Binding Instrument** that he **Designed /Crafted to Combat "Other Forms of Human Trafficking"** performed by **Certain Legally Connected Local Authorities Who are Shanghaing Innocent People in Portland, Oregon**, over **Bogus Charges**, a **Valid Functioning Financial Instrument For Value?**

## STATEMENT OF THE CASE

COMES NOW, Affiant **brent evan webster** by special appearance in this court of constitutional due process, also doing business as **BRENT EVAN WEBSTER, PAG-Victim-Relator**, of the Original Circuit Court Case # 140302977 in Multnomah County, Portland, Oregon filed March 12, 2014.

September-30-2010 Webster was pulled over for not wearing a seatbelt and Arrested on a Violation.

October-1-2010 Webster delivered his Self-Executing-Terms-of-Service-Contract to Angel Lopez.

October-1-2010 Webster was Not Released by 5 pm therefore Contract Activated by Operation of Law.

October – 2010 - February 22, 2011 Webster filed many Court Documents.

February-22-2011, Webster Filed Habeas Corpus's in Circuit and District Court, which were Never Heard.

February-22-2011, Webster was taken to Portland Justice Center and given No Food, Clothes or Water.

March-13-2011, Webster was Forced to Work or Go to the HOLE and Unnecessarily Injured in a Fall.

After Being Offered the \$2000.00 Make it Go Away Fee by Administrator Angel Lopez, Webster Respectfully Declined and Instead Presented his Counter-Offer as an Operation-of-Law, through the Security Window he was being Held Behind Under Threats and Duress, Lopez Acting in a Rush wanted Webster's Signature Before Talking to Him, about give up his Right to Council. Webster signed the Paper "All Rights Reserved" then he was Dragged from the Glass Box without being Heard as Promised.

At that point Webster Delivered his Hand Written "Terms of Service Agreement" through the Window on to the Courtroom Floor, and Declared "This is my Terms of Service agreement unless I am released before 5 pm today this agreement goes into full effect". The Jail Detained and Transported Webster to Lane County on a Traffic Violation in Eugene, Oregon to be Release a Couple Days Later after the Booking Processes, he has Recently Learned it is a Catch and Release Scam, to Fleece Thousands

from Tax Payors, an Operation-of-Law by Foreign Corporations using Other Forms of Human Trafficking.

This Matter Comes before the "SUPREME COURT OF THE UNITED STATES" to layout Lawful Remedy for the Wrongs that Continue to Stack-Up against this Petitioner and the General Public in Portland, Oregon. This Petitioner and Many Others including Homeless People are Unlawfully Shanghaied from Public Streets, by Uniformed Street Venders with a Gun, a Badge, a Car, and a Computer. It's Documented Over and Over by this Petitioner even as Recently as December-19-2019.

Clackamas and Multnomah Counties have both Conspire Together against Webster's Inalienable Rights. Violations and Crimes are being Constructed Against the Public, by Government Agencies whom Apparently Have No Regard for the United States or the Oregon Constitution, Public and Private Employees are Participating in Concert Against Innocent Victims with "OTHER FORMS OF HUMAN TRAFFICING", they are Stealing the Labors, Energy, and Property of Individual which Webster has Stood Against these Sort of Color of Law Violations as a Good Patriot, which Judge Van Dyke in Clackamas once in 2008 called him that Three Times, before Telling Three DA's to Sit Down at One Time, and that he was Sorry for Them as Law Students since they were not Familiar with the Finer Points of the Law who were acting as High-Power Prosecutors and were Conspiring Against Webster. The Persistence of the Counties to Jail People for Next to Nothing in Many Instances, is Ruining the Lives of so Many People Mostly Poor for \$3,000 - \$5,000 per Head Instantly Upon the Booking and Arraignment Processes for Exaggerated-Baseless-False-Claims let alone the Funds/Money that are Generated after the Fact with, Court Appointed Attorney's or so called (Trucks) which the Inmates/Detainees who have been Victimized by the Legal System call them since the Court Appointed Lawyers never file any Documents that Might Help get their Clients Released Prior to a Trial, Discovery, Release Hearing, Bail Reduction Hearing, Work Release, and this is All Before being Found Guilty of Anything. The DA's/Criminal Prosecutors are Even Worse when it comes to Filing Documents, rarely File Affidavits of Probable Cause, rarely is there a Victim to the Alleged a Crime, but In Reality, a High Percentage of Inmates are In-Fact the Victims Themselves.

**Upon Necessity this Patriot is A-Self-Appointed Private Attorney General for Oregon, Webster who brings this Lawsuit in the Interest of Justice and the General Public's Best Interest, and on Behalf All Less Fortunate Citizens and Minority Groups Affected by the Legalized Programs to fleece the Public, and as Relator, Attesting to the Factuality, and Truthfulness that these so-called Enforcers of the Law are Committing the True Crimes which are the Under-Lying Issues to the Painful Culmination of Webster's Life Experiences here in Portland, Oregon; the Shanghai Capital of the World in Webster's Opinion, when it comes to the One-Way Legal Rights that can be Twisted in an Instant without any Real Standing in Law, on the Mere Allegation of some Color-of-Law Statute /Violation or a Completely Unbelievable Lie.**

**It Must be a Design Flaw in our Legal System, but Somehow the Fact Don't Support that Conclusion. It is Apparent that Multnomah Clearly Knows that What They do is Wrong, their Behavior is Smart-Alecky, they know they are Working With-In a System of Technicalities, Designed to Defraud it's Victim of His /Their Abilities to Earn a Living, but instead of doing the Right Thing and Refusing to their Boss that they will not take part in this Fraud. Instead as a Self-Protection-Mechanism they will Insist That Detainees /The Accused, Must Beholden to a System including the Personal Superiority they feel they Possess Over Their Victims. hat does not Care when It Comes to the Real-Life-Person that is Connected to the Multnomah County Court System.**

**Webster has been Damaged Physically, Financially and Socially, Webster is Supplying the Proof that In-Fact he Was/Is an Employee for Multnomah County who has not been Compensated for the Work that he has Already Completed and the Work He Continues to do to Clear His Name and to Get Paid for the Damages Out-Standing. Multnomah has Been Under Contract since October 1, 2010 Whether they Like-It or Not, and have Agreed to Put Webster to Work to Uncover All these Flaws, and Corvel Enterprises Comp Inc., has Inadvertently Become the Responsible Party to the Contract Webster Crafted by Operation-of-Law which is Undisputed Factually and the Only Logical Remedy to this Problem.**

**Webster has been Studying, and Experimenting Over the Last Several Years in the Legal Arena of Who Has the Power of Attorney, has the Power over You, WEBSTER does not want to be That Guy.**

**Webster has been Adamant from the Beginning of the Sometimes Close to Death Scenario's, like on February 22, 2011, when Webster was Nearly Murdered due to the Excessive Number of Days, Judge Marcus Exacted against Webster after a Bogus Trial, where Webster was Block at Every Turn from Using ORS Statutes, to Preventing Him from using his Exhibits. Webster was Constantly Interrupted with Objections by Mr. Gibbs, the Criminal Prosecutor who was put on this Case, as a Hotshot Attorney in the World of False Claims against Innocent Victims in Multnomah County.**

**Gibb's at that time Recommended Six-Months because of His Perception that Webster, had a Disregard for the Law, when In-Fact Webster, simply was Attempting to Hold Mr. Gibb's to the Law.**

**Webster was put In-the-Hole to Shut-Him-up Permanently as the Guards Interpreted the Out-of-Whack Sentence of 30 Days to Be a Sign that Webster was In-Need of some Extra Judicial Punishment, the Small-Guard-with-Big-Arms and an Attitude-Problem was Dispatched to Webster and Offered to Try Out the New Stun Gun on Webster, and Proceeded by Twisting Webster's Arms to Extract a Finger Print, per Jail-House Policy /Process, Never Adhering to the Intention of the Rule of Law but of the Jungle, by Throwing Webster to the Ground, Ripping off his Cloths, Eventually Making-It to the Hole.**

**Webster wants to Benefit the Men and Women on the Street but Most Importantly is for Webster to Receive His Fee's for a Job Well Done. Webster, has Performed a Public-Service in the Study-of-Multnomah Counties Legal-Fallacies, and he will be happy to Advise these Public-Servants of their Duties and the Art of Public Service and Actually Doing what is Right.**

**In the United States, State Police Power comes from the Tenth Amendment to the Constitution, which gives States the Rights and Powers, "*not delegated to the United States.*" States are thus Granted the Power to Establish and Enforce Laws Protecting the Welfare, Safety, and Health of the Public.**

**Corvel Enterprises Comp Inc. has Proven with their Own-Documents, see: "NOTICE OF ACCEPTANCE AT CLOSURE WORKSHEET (pages 37-39), Webster's Injuries are not In-Dispute.**

**Petitioner Webster has given a copy of his "Self-Executing Contract" Exhibit F, that he is Relying on for his Terms of Service Contract when it comes to the Big-Question; does Webster have a Right-to-Participate In-Commerce the same way these Municipal-Public-Corporations Operate, to Generate His Own funds, by-way of Operation-of-Law, that is Contract Law.**

**The Schemes, Scams and Conspiracies described by this Private Attorney General are Harmful and Destructive as Experienced by this Petitioner, and are a Serious-Heart-Breaking-Fact of how our Fraudulent Color-of-Law-Legal-System is Operating here in Portland, Oregon.**

**Petitioner said at the end of his Hand-Written-Contract "If due process of law isn't good enough in this Court System, then Maritime, Commercial Contract Law will have to be the better of Two Evils", Describing the Context of the Catch-22 Detainees /This Petitioner finds himself /themselves In.**

**This Petition for a Writ of Certiorari should be Granted to this Private Attorney General /Petitioner living in Portland, Oregon. Petitioner attest to the facts that James Michael Francke may have been Murdered while in the Process of Uncovering Corruption and Fraud in Oregon's Prison System where the Plan was to Double the Size of the Industry. James Michael Francke worked as Oregon's Department of Correction Director after he was a New Mexico Judge and the Director of that state's Corrections Department who Managed Prisons, Inmates and Parolees. He was Thought to be Killed in 1989 by a Man Named Frank Gable, whom Judge Acosta Ordered Released April-18-2019 after 30 years in Prison and being Falsely Accused by a Runaway. Webster Politely Request a Trial-By-Jury in Whatever Jurisdiction this Court Recommends.**

**Respectfully Submitted, Thank You Justices**
