1. Appellant, Dennis Andrew Ball requests the Court to compel itself to delay the transmission of the mandate to the 5th Dt. Court of Appeals as it proceeds to the United States Supreme Court. That Court allowed 90 days from the date of final entry of a Writ Of Certiorari from ILSC case 124724.

a). However, since the date of issue of the Court's Order 11/26/2019, Appellant Ball files his Motion For Leave for Reconsideration based on facts recognized by the Washington D.C. High Court in the filing of the Writ case no. 19-5828 Dennis Andrew Ball v. City of Marion, Illinois.

2. The issues on appeal correspond to the issues presented on the Motion For

Rehearing.

1. On April 4, 2019, the Clerk accepted the Petition For Leave To Appeal.
2. On May 22, 2019, the Court denied the Petition For Leave To Appeal.
3. Motions pending in Circuit Court pending outcome of these proceedings with JUSTICE SERVED upon appellee defendants. Court rules serve the purpose of staying events that are pending including that of defendant Legence Bank formerly Mid-Country Bank.
4. The justices failed to consider "WHO" would protect the trust assets for the beneficiary. Illinois law is specific that trusts that include real estate are protected from Scandal of Title & Quiet Title from active litigation protected by rules 306a-307 by NOTICE OF INTERLOCUTORY APPEAL & Provides Court Officials "STANDING" as a Pro-se litigant beneficiary of the trust.

3. STATEMENT OF FACTS:

The case was filed on June 29, 2018 in the Circuit Court later filed by the Circuit clerk's Office to the 5th District Appellate Court. The record on appeal reflects the date the Appellate Court issued their ORDER on July 5, 2018 putting an automatic stay on all proceedings affirmed by the Circuit Court\Hearing on July 9, 2018. In spite of two court orders staying all proceedings, the City Of Marion, IL took liberty the same morning of the hearing to tear down the property belonging to the

Appellant and beneficiary, Dennis Andrew Ball. This is a travesty of justice and must be punished on the merits as contempt of court to the court rules and the assets of the beneficiary, Dennis Andrew Ball. The police committed 1983 violations by ignoring Court orders shown on premises to stop demolition. They too are a party to this matter by their failure to intervene and stop the destruction.

4. ARGUMENT:

This matter is appealed to the Supreme Court Of The United States for the Appellate Courts failure to rule appropriately in the interests of the appellant. Mr. Ball is vested in this case and has an economic interest in seeing that JUSTICE IS SERVED ON THE APPELLEES. The law is clear that real property must be represented by those most impacted by adversity upon the premises. In this matter, the City Of Marion, IL is a belligerent in a case that consists of claims both Scandal Of Title & Quiet Title. These matters are still outstanding to the outcome but were taken advantage by the attorney for the City, Stephen R. Green.

5. ADDENDUM:

The Order Of Dismissal fails to consider Standing granted by the United States Bankruptcy Court For The District Of Arizona. Mr. Ball is both a litigant and Court Official bequeathed upon him by the Arizona Court by which he has performed. The 5th District is in error upon both oral argument and briefing. The Court is outside of its jurisdiction in terms of Representation. However, the merits of the case the Court has failed to consider for purposes of this matter. STANDING IS GRANTED AS THE TRUST'S BENEFICIARY TO PROTECT THE BENEFICIAL INTEREST BEQUETHED BY THE GRANTOR, ELEANOR R. BALL TO DENNIS ANDREW BALL 05/10/01.
