INSTRUCTION NO. C-2

The law presumes every person charged with the commission of a crime to be innocent. This presumption places upon the State of Mississippi the burden of proving the Defendant guilty of every material element of the crime with which he is charged. Before you can return a verdict of guilty, the State must prove that the Defendant is guilty beyond a reasonable doubt. The Defendant is not required to prove anything.

We the Jury find the Defendant  
Randy Dale Jackson Guilty of  
Murder

MOTION FOR NEW TRIAL

COMES NOW, Randy Jackson, and files this his Motion for a New Trial. In support hereof, Randy Jackson, set forth the following errors, to wit:

1.

That the verdict was against the overwhelming weight of the evidence.

2.

That the State improperly used its peremptory challenges to strike black jurors from the panel.

3.

That the jury was improperly instructed as to the meaning of " Deliberate Design, Malice aforethought and Heat of Passion".

4.

That the shotgun and photographs were used to prejudice the jury although objected as having greater prejudicial effect than probative value.

Respectfully submitted this the 26th day of February, 1999.

**AFFIDAVIT OF OATH**

PERSONALLY APPEARED BEFORE ME, the undersigned authority in and for the aforesaid jurisdiction, Winston-Choate who, after first being duly sworn, did state under oath as follows:

I, Randy D. Jackson, do solemnly swear that I am a citizen of the state of Mississippi, and do hereby state that the below is true and correct.

The issue of conspiracy in case No. - USDC 3:07-CV-625.

Facts: My homicide charge likely was brought about from a part I played in a movie in 1995, A Time to Kill film in Madison County Canton, Ms. The part I played was extra as a militia teen, as me being seen throwing and falling on the grand wizard, the leader of the Ku Klux Klan. This can be proved at the Canton Convention Center and Visitors Bureau along with the 1995-96 TV footage news 48 Hours by Dan Rather interview. The reason why I have not come forward with this terrorism conspiracy of hit is because I was afraid that my family member's would be harmed or killed. The guy I shot told me that somebody had paid him to kill me. The only thing I spoke about at trial was he told me that somebody had paid him to kill me (see Tr. 167) because I was afraid.

Furthermore, I wrote the FBI in Jackson, Ms in 1998 before I went to trial about the Court Judge treating me unfair regarding my civil rights of receiving fair Justices in court of law after the revoking of my bond, due to my paid attorney's fault by misinforming me of my court date. Therefore I would kindly ask for an investigation by the FBI, into this matter of conspiracy hit by the Ku Klux Klan.
