STATEMENT OF THE CASE

petitioner being convicted of public offense by state of Idaho is directly effected by 1934 Act, 1968 Act all Gun Control Bills, and Laws, voting Rights taken, and where search and seizure by police in case against Mr. Andoe petitioner Challenging Constitutionality of above Acts, Bills, Laws, including Sneek n peek warrant of Patriot Act, Federal Marshals ability on Assumption of a person being a terrorist, detaining and imprisoning without court action BY Direct wording of U.S. Const., Framers Intent of Federalist papers No. 44, 45 and New Hampshire's (1803) Declaration of Rights, and Bell v. State of Maryland 378 U.S. 266, 249 (1964); showing that Heller v. District of Columbia, (2008); and United States v. Vongxay, 594 F.3d 1111, 1115 (9th Cir. 2010) unconstitutionally categorized Natural born citizens convicted of a public offense, and U.S. Veterans convicted of public offenses.

This Constitutional Challenge by exact wording of United States Constitution upon 1934 Act, 1968 Act, Gun-Control Laws and Bills, voting Rights infringement, and Patriot Act, Homeland security Act, was Filed against Obama, Clinton, and 2rds of U.S. Congress in U.S. District Court For State of Idaho, who Dismissed twice, and 2nd time 9th Cir. Dismissed using Challenged Law of Heller v. District of Columbia (2008); and United States v. Vongxay, 594 F.3d 1111, 1115 (9th Cir. 2010), as reason to affirm dismissal.

Challenging Constitutionality OF infringing or taking OF 2nd, 4th, 14th, 15th Amendment Rights From Natural born persons OF United States over public offense BY Government, Federal and state with Challenged Acts, Bills Laws BY petitioner, BY Direct exact wording OF U.S. Const., and Amend., and New Hampshire (1803) Rights.

That Acts Bills Laws Challenged Makes America unsafe and is incentive to Law enforcement, Attorney's Judges to seek convictions instead of truth seeking in order to eliminate "The peoples" rights guaranteed by U.S., Const., and Amendments, Distorting Criminal Justice system and Making society unsafe. Criminals are opportunists who will get guns and commit crimes, All citizens presumed Armed ^{not armed eliminates} ~~eliminates~~ crime!

Natural born persons are "The People" by U.S., Constitution, and are Full UnRestricted of Rights citizens.

REASONS FOR GRANTING THE PETITION

- (1) Finding as shown by written words in Const., and Founding Fathers intent, Laws Challenged as unconstitutional will reduce Crimes, allow women to prevent Crimes upon them, Rape, Kidnapping ect. . .
- (2) will reduce Mass' shootings as more people will be able to stop such acts,
- (3) will reduce convictions and Mass incarceration, Force courts to seek truth again over convictions,
- (4) will provide ex offenders the ability to obtain Food From wild animals instead of being Forced to steal to feed themselves and Families,
- (5) will eliminate discrimination in job market.
- (6) will reduce Crime across the board,
- (7) will restore Const., to its full Force and effect and end Gun Rights voting Rights disputes once and for all.
- (8) will MAKE SOCIETY SAFE AGAIN!
- (9) Exact wording of U.S., Const., doesn't allow for taking of Rights guaranteed to natural born legally immigrated citizens over conviction for public offense
- (10) U.S., Const., Bell v. State of Maryland, Does not allow making any natural born legally immigrated citizen less class over public offense,
- (11) Acts, Bills, Laws, being challenged are by Federalist Papers New Hampshire's (1803) Declaration of rights Unconstitutional.

REASONS FOR GRANTING THE PETITION

- (12) Federal papers 44, 45 shows framers intent on the Rights guaranteed as Absolute Rights of "the People".
- (13) New Hampshire's (1803) Declaration of Rights and other (1803) Declaration of Rights by 13 original states shows 2nd Amendment is ABSOLUTE Right of "the People", the people being Natural born, legally immigrated persons.
- (14) U.S., Const., Does not by its exact wording allow taking of Gun Rights voting Rights From "The People".
- (15) Armed citizens are far better able to prevent Crime, Criminals are opportunists, All citizens Armed takes opportunity away from would be Mass shooters, Rapers, all other Criminals.
- (16) provide those convicted of public offense a way to obtain Food From wild animals as employers and State and Federal agencies Can refuse to hire Ex Felons.
- (17) Law enforcement personnel can't be everywhere at one / same time all the time, Armed citizens prevent crime upon them and Family and others in immediate area.
- (18) Gun Control voting Restrictions does just what Adolf Hitler did dis arms "The People" By convictions for public offenses, distorting courts and Law enforcement into seeking convictions over minor infractions made felonies to eliminate 2nd and 1st Amendments, and is unconstitutional and not what the founding Fathers, Most Fleeing justice in England or other places and in rebellion to England, which is A public offense would not support Gun Control legislation or 1934 Act, 1968 Act ect...

REASONS FOR GRANTING THE PETITION

- (19) In II Amendment U.S., Const., section 1; "A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed;" does not state that Arms can be denied to Natural born citizen convicted of a public offense.
- (20) the IV Amendment to U.S., Const., does not allow warrantless seizures of person on presumptions, by its wording (citation of IV Amend., U.S., Const., omitted).
- (21) The XV Amendment is clear; "The Right of ~~the~~ Citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of race, color, or previous condition of servitude." XIII. defines servitude "as punishment for crime whereof the party shall have been duly convicted;"
- (22) Armed citizens or all citizens presumed to be Armed stops opportunist criminals, attacks upon them and Mass shootings.
- (23) IF all Natural born U.S. persons are part of the People then all Natural born U.S. persons by 2nd Amendment U.S., Const., have the Right to keep and bear arms.

REASONS FOR GRANTING PETITION

1934 Act is First infringement to U.S.,
Const., 2nd Amendment.

today all Lawenforcement Legislatures, attorney's
and judges are so bent to get convictions so
that citizens can no longer own firearms or
vote that it has caused society to be
unsafe, and full of Mass shootings, and
other crimes look a Chicago and Alaska
and even Sweden where societies
armed or disarmed results in Higher or
No or almost No crime.

Since 1934 upto 1968 Act and before 1968
Act Felons had gun rights and crime rate
and prison rates were low

Japan did not attack U.S. in 1944
because all citizens were armed and they
could not re supply to leave

we do not need the murders from Mexico
at what occurs in towns just across the border
to spread to here. Armed citizens /militia can
protect faster and better by being able to
respond faster than Government can disperse
military personnel in a crisis and Armed
citizens stop would be Mass shooter's and
other crimes from occuring.

REASONS FOR GRANTING THE PETITION

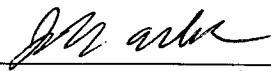

Question (1) Additional points as follows; Sweden has No military, all its citizens are armed with automatic weapons and train with them and have lowest crime, and prison rate in the world, Rome lasted 4 to 800 years, all its citizens were armed, Adolph Hitler Disarmed and then turned and annihilated his own people, Taking Guns From The people Does not protect anyone as courts like to claim Laws Do, as all being armed actually prevents crime, see Kentucky (1822), Shows in that Declaration of Rights, that the constitutional right of individuals to bear arms is absolute, without limits; Then in Nunn vs. Goergie (1846), warns the state legislature that its power is limited to ^{the} way in which citizens bore arms, maintaining that the state's constitution provided an unlimited guarantee of the right of all citizens to possess and bear arms; United States vs. Miller, (1939), got it only partly correct by recognizing personal individual right, yet got it wrong by founding fathers intent to an unlimited right; In District of Columbia vs. Heller (2008), the decision goes completely against Founding Fathers intent as found in New Hampshire, Virginia, Kentucky, Aynette vs. the State, (1840), and Silveira vs. Lockyer, (2002) also got it wrong, Scalia in his Decision of It being an individual right was correct but his Decision that allowed for control of that individual right goes against founding Fathers intent and the exact wording of 2nd Amend., U.S. Const., Forcing Decision based upon exact wording and founding Fathers intent,

Yes Answer to any one and all questions should result an order of unconstitutionally Laws and an order that No Current or Future Gun Control Laws can be made ever again, that all Prior Cases, Heller ect... are over turned and that only the Decision of individual Right in Heller remain valid, all others completely over turned on grounds of Founding Fathers intend and early Declaration of Rights Defining 2nd Amend. that No one can be denied the right to vote as 15th Amend., U.S., Const., states and Bell v. State of Maryland.

CONCLUSION

To Have Full Force and Supremacy of U.S. Const., as intended by Founding Fathers, 1934 Act, 1968 Act, Brady Bills 1 and 2 ect... must be deemed unconstitutional, pursuant to Art. 6 Supremacy Clause U.S. Constitution. The petition for a writ of certiorari should be granted.

Respectfully submitted,
