The Court orders that the application for leave to appeal is DENIED for lack of merit in the grounds presented.

On its own motion pursuant to MCR 7.216(C)(1), the Court ASSESSES SANCTIONS on the basis that plaintiff's appeal is frivolous and vexatious. Plaintiff-appellant Brenda White is ordered to pay sanctions of \$500.00 to the Clerk of this Court within 28 days of the Clerk's certification of this order. We direct the Clerk of the Court to return without accepting any further filings by, or on behalf of, Brenda White in any non-criminal matter until she has made the payment required by this order. Attorney General Dana Nessel,

Following two recent telephone contacts I had with your office on August 23, 2019 and September 26, 2019, regarding three cases that I have in the Michigan Supreme Court, I requested that you as the Michigan Attorney General intervene in these criminal cases, and your office instructed me to send you an email with my questions and concerns and to request that you intervene in these criminal cases, following three recent orders from the Michigan Court of Appeals, stating that the listed cases are criminal. These cases are a health and safety risk for me and the public at large, and the cases need to be resolved. Joseph White also made contact with your office on the above dates, and he is requesting that you as the Michigan Attorney General intervene and turn his case over as criminal, because the Michigan Court of Appeals, has also stated that his case is criminal, which is also a health and safety risk for him and the public at large. The cases are: Brenda White v Southeast Michigan Surgical Hospital and Dr. Gary Docks, MSC: 160200. Macomb County Circuit Court No. 2012-002017-NH Brenda R. White v EDS Care Management LLC and Travelers Indemnity Company. SC: 160298. Michigan Compensation Appellate Commission Case No. 17-000015 Brenda Ford White v O. L. Matthews M. D. et al, SC: 160198. Dear Mr. and Mrs. White:

This letter is written in response your recent request that the Michigan Attorney General intervene in several lawsuits in which you are a party. In your request you cite several different civil actions, but assert that the Court of Appeals has determined that these cases are criminal. You state that the Court of Appeals issued orders recognizing those cases as criminal, but you failed to provide copies of any such orders.

I have considered your request and reviewed the Court of Appeals records concerning the cases in which either one of you was a party. I am simply not persuaded that there is any valid basis for the involvement of the Attorney General in your lawsuits. Likewise, I see no basis for any criminal proceedings based on the information you presented. Within the scope of prosecutorial discretion, I am closing our file on this matter without further action.

Sincerely,

  
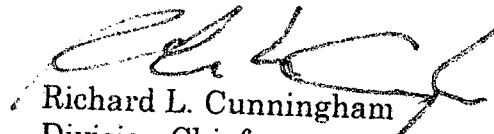

Richard L. Cunningham
