Petitioner Jerry Lee Carr believes he has lost all aforementioned rights due to the aforementioned illegal acts under color of law.

STATEMENT OF THE CASE

Petitioner Jerry Lee Carr, 77 yrs of age, Natural Born Citizen, is a victim of *Legal Abuse and Spoliation and Denied Due Process*. Petitioner is appealing under Color of Law, 42 U.S.C. § 1983, 18 U.S.C. §§ 241, 242. Petitioner has been denied Due Process in efforts to Prove Innocence from Two Unlawful Kidnappings at Gun Point to impede case 2-90-360, R.I.C.O. and 06-1893, R.I.C.O. Petitioner was taken to a State Mental Inst. and Tortured, 18 U.S.C. § 2340, Forced injections of Haldol, Cogentin and Ativan 3 times a day and Electric Shock Treatments to stop 2-90-360 R.I.C.O. from proceeding by declaring Petitioner to be mentally ill on a False Affidavit by a State Forensic Psychologist Roger Fisher causing the Petitioner to suffer from legal abuse syndrome leading Petitioner to suffer from P.T.S.D. derives from taking a normal 47 yrs of age sane male and torturing Petitioner to stop his 2-90-360 R.I.C.O. suit from proceedings. The Court never allowed Due Process because Petitioner had tape recorded that conversation between Petitioner and Forensic Psychologist Roger Fisher proving Dr. Roger Fisher filed a False Affidavit to stop the R.I.C.O. suit against his employer Champion Int. Papers and their law firm Frost, Brown & Todd in Cincinnati, Ohio. The Court and Authorities to the present time has concealed and refused to listen to tapes exonerating Petitioner.

Karen Huffer (1995) discovered that many legal system's victims suffer from a variant of PTSD. According to Huffer, you may be suffering from Legal Abuse Syndrome, 5 symptoms (5) if you feel you have been

victimized several times over by the perpetrators, by Lawyers, Judges, bailiffs and other Court Personnel.

In case 1-84-1487, *Rennick vs. Champion Int.*, Ms. Rennick had to try her own Civil Rights case for 7 days, Judge Herman Weber allowed Rennicks Attorneys Ivan Tamarkin and Bruce Hampton to bow out of the case. In Court Transcripts, it was brought out that Frost, Brown & Todd attorney Randy Freking had threatened one of Rennicks witnesses into changing his Testimony, named Allen Lampley. During the course of the Trial under Oath, Mr. Lampley was told by Freking on pages 681 through 695. Freking told Lampley that (He) Freking was associated with People in High Places that Controlled the Federal Courts! Mr. Freking also told Lampley (He) Freking could pretty much do whatever (He) Freking wanted to do, including denying a court order for Freking to turn over personnel folders of William "Wa Wa" Jones and Louis "Wormie" Wilson because both were reprimanded for the constant use of word "Nigger" and poorly, poorly planned Racial Harassment of Rennick. Judge Weber advised Lampley to go to U.S. Attorney's office and file a lawsuit!

To further display that Freking was confident in making those statements of being associated with people in high places that controlled the federal courts. Petitioner Jerry Lee Carr filed another R.I.C.O. suit in Washington, D.C., C-06-1893, Judge Robertson. Judge Robertson was so biased and prejudiced against Carr; Judge Robertson's opening statement in Robertson's Response was this Court awoke when Frost, Brown

and Todd and Attorneys George Yund and Randy Freking put in their answers to Carr's R.I.C.O. suit, 06-1893. Robertson also stated that Carr filed a 123-page document of Incoherent Ramblings, trying to double down on Forensic Psychologist Roger Fisher's False Affidavit of Carr being mentally ill. This Nov. 6, 2016, 16 years after Carr was unlawfully at gunpoint taken to Rollman's Mental Inst., in Cincinnati, Ohio, and tortured; there is no mention of Petitioner being tortured at Rollman's State Mental Inst., plus Petitioner (Carr) was direct witness and co-plaintiffs in C-2-90-360 and was unlawfully under 18 U.S.C. § 1512, tampering with a Witness as Allen Lamprey. Within 4 months of filing 06-1893 R.I.C.O. suit, on March 3, 2007, Two Federal Agents, Joel Kimmett, U.S. Marshal, and F.B.I. Agent Terrance Moran, filed a Probable Cause Affidavit that Petitioner (Carr) owned and possessed an AK-47 with intentions of murdering federal judge Robertson and the two Federal Agents Kimmett and Moran. This was a total lie. Carr never owned or possessed an AK-47. Judge Robertson sent this case back to Cinti., Ohio, for Carr to be punished under the Bogus Sanction imposed by a Bogus Trial by Judge Menos. Carr was immediately surrounded by over 25 Federal Agents and arrested, shackled and handcuffed and threatened with a head shot if Carr continued to pursue this matter! Again, Petitioner (Carr) was Denied his Miranda Rights and sent directly to seven (7) different Federal D.O.J. prisons and County Jails and Tortured again in the Mental Wards in each Prison or Jail! Petitioner (Carr) pleaded for the authorities to listen to the tape recordings of Dr. Fisher and Dr. Miller to

clear up this unlawful Detention and Kidnapping at gunpoint by the authorities to keep the Bogus narrative that Petitioner (Carr) was mentally ill. 17 Years later, the Authorities, D.O.J., F.B.I. and the Courts continue this cover-up of kidnapping, unlawful imprisonment, torture, 18 U.S.C. § 2340, Civil & Unusual Punishment, 18 U.S.C. § 1512, Tampering with a Witness; 18 U.S.C. §§ 1503, 1505, Obstruction of Justice and again as in July 1990 on False Affidavits by Kimmett and Moran that Petitioner (Carr) made threats! 18 U.S.C. §§ 241, 242, Deprivation of Petitioner's Constitutional and Civil Rights. Petitioner (Carr) was incarcerated for a year for filing 06-1893. Petitioner again, as in 1990, did not get Due Process to prove his Innocence; the Court has allowed Kimmett and Moran, both Federal agents, to get away with filing a False Probable Cause Affidavit stating Petitioner (Carr) owned and possessed an AK-47 with intent to Murder a Federal Judge (Robertson and both Federal Agents Kimmett and Moran). Petitioner has never owned or possessed an AK-47 in his entire life. No matter, Petitioner is always Denied Due Process! Petitioner has enough factual evidence to show this law firm, Frost, Brown and Todd, is connected to "*People in High Places that Does Control the Federal Courts!*" Judge Robertson has adopted the Bogus Memorandum by Judge Manos Banning Jerry Carr and Sharon Rennick from ever suing Frost, Brown & Todd and Attorneys George Yund and Randy Freking in any Court in the United States, a get out of Jail Card Denying Carr a chance to Prove his Innocence! Petitioner (Carr) after a year in prison and County Jails and 3 years Probation, filed a

"Motion" in U.S. District Court, Southern Div., in Cinti., Ohio, Judge Michael presiding. The "Motion" was CR:107 and Requesting the Court for "Vindication" to vacate the False Charges of Mental illness and now a Felony Charge of owning and possessing a 9mm Smith & Wesson handgun from a Bogus Illegal Search & Seizure Warrant. Agents Kimmett and Moran came with a blank search warrant to find the AK-47 but found Petitioner had a 9mm handgun for home protection. On that search warrant, it stated a 9mm Smith & Wesson was found with (3) three bullets. How did they know ahead of time to seek a search warrant that Carr had (3) bullets in seeking a search warrant, and threatened Carr's life twice!

Judge Michael Barrett agreed to hear Petitioner (Carr's) motion for "Vindication!" Judge Barrett first addressed the issue of Petitioner (Carr) labeled a vexatious litigator. Petitioner had filed two lawsuits in his entire life: one by Attorney Marc Mezibov to get Petitioner's employment back from an unlawful termination in Dec. 1984 and second suit was the C-2-90-360 R.I.C.O. against same law firm, Frost and Jacobs (now Frost, Brown and Todd) for that Petitioner (Carr) ask Judge Barrett how does that make you a vexatious litigator? Judge Barrett replied in transcript, Quote "Honestly Jerry, I can't answer that. Judge then moved on to Dr. Roger Fisher, on page 12 of case no. 1:07-Cr-107, Aug. 4, 2011, Quote, "The thing that I thought was improper was that He (Fisher) appointed himself as Quote Unquote "Independent Evaluator." He's (Fisher)

the guy that actually has you committed. Judge continues "Well and I think that was probably wrong."

On page 12, Line 12, 13, "Clearly, that guy was a Bad Actor."

Page 13, Line 10, 11, "I think what happened to you back in the '90's, was unfair."

Page 13, Line 14 thru 18, "I did not rely on anything that Dr. Fisher or what was the other guy's name?"

Page 13, Line 16, 17, Dr. Prada got his license Removed! Judge Barrett, Yeah. "He was a kook, too!"

Back to page 12, Line 1 2, I think some things that happened were "Clearly wrong," stated Judge Barrett.

Page 14, Line 4, 5, 6: Judge Barrett, Yeah yeah. So that's – but, clearly, Jerry some things that have happened in the Past to you have been unfair." There is no doubt."

Page 21, Line 18, Judge Barrett: He (Fisher) was just a "Bad Actor."

Page 23, Line 1 thru 4, "Shock Treatments." Judge Barrett – especially as it relates to Dr. Fisher, there are some things that shouldn't have happened in your case. "I don't think there is any Doubt about that."

Page 23, Line 7, 8, 9, 10, 11, 12, Judge Barrett: I mean, I guess it's kind of like being a Vietnam Veteran or something. You've got nightmares – (Carr) P.T.S.D.

Judge Barrett: Yeah. "You've got nightmares regarding Bad Stuff that happened to you."

Page 20, Line 23, the Contact Person, instead of Fisher contacting Michael Maundrell, who was representing Frost, Brown & Todd at the time, C-2-90-360, Fisher contacted George Yund.

Page 27, Line 8, 9, 10, You are acknowledging that Dr. Prada and Dr. Fisher lost their license and quote unquote "Bad Apples."

Page 30, Line 9 thru 12, Judge Barrett referring to Manos, C-2-90-360. Judge Barrett: It looks like somebody filed a motion. I don't see anything about Evidence, Jerry.

It just says that Judge Manos reviewed the Motion and the attached memorandum that was submitted to him (Manos), No Trial or Hearing as the checked Box on Court Sheet C-2-90-360 ☒ all evidence reviewed at Trial or Hearing, this is a False Document, even Judge Barrett on page 30 Line 9 thru 12: Judge Barrett, it looks like somebody filed a motion. I don't see anything about Evidence, Jerry. Manos just ruled on a motion to Dismiss no Due Process, no Trial or Hearing for Petition Carr to prove his Innocence, even having the tape recordings of Forensic Psychologist Roger Fisher and Psychiatrist Michael Miller both lied on Affidavits to the Butler Cty Courts, Petitioner still has those tapes, exposing Carr's Employer and their law firm Frost, Brown & Todd behind sending Carr to see these Bad Actors and Kooks, Judge Barrett's own words. Transcripts from Aug. 4, 2011 Hearing in Front of Judge

Michael Barrett and United States District Attorney Leslie Williams, who on Page 11, Top of page Leslie Williams in U.S. Court of Appeals, states some mental health events in his past that may have been handled Improperly. Forced Injections and shock treatments at Rollmans State Mental Inst.

On page 12, Carr admitted to one possession of a firearm while having been previously committed to mental institution (Unlawfully) at gunpoint (Kidnapped). I have tapes, I never had Due Process.

Leslie Williams, U.S. Attorney, intentionally covers up the kidnapping at gunpoint by Sheriff Deputies on False Affidavits, so Leslie Williams name Specifically Dartmouth in Dayton, Ohio, intentionally omitted Rollmans and the unlawful acts.

So the statement of this case is Legal Abuse, Denied Due Process and Spoliation of Evidence.

Apparently Randy Freking, Frost, Brown & Todd Attorney, knew what he was saying on page 695 of *Renick vs. Champion*, 1-84-1487, I am associated with People in High Places that Control the Federal Courts.

- 1) Judge Manos Fabricated a Bogus Hearing on a Motion and Memorandum. A Lifetime Sanction, C-2-90-360 Dismissed.
- 2) Judge Robertson sent Petitioner to Prison and Jails for a year for breaking Manos sanction, 06-1893, Dismissed while Petitioner in Prison, No Due Process, Claiming Res Judicata. The case has never been litigated.

3) Judge Contreras, Filing Fees paid, 1:18-00356, Dismissed Res Judicata. Case has never been litigated.

4) Judge Michael Barrett, Aug. 4, 2011, held a Hearing in U.S. District Court, Cinti., Ohio, found that Petitioner (Carr) was wronged and is suffering from P.T.S.D. from the Torture at Rollmans State Mental Inst.

◆

REASONS FOR GRANTING THE PETITION

Petitioner Jerry Lee Carr has suffered from P.T.S.D., direct cause of cruel and unusual punishment since July 3, 1990; also Irreparable Damage of Emotional Distress and Irreparable Defamation in Reputation.

Petitioner pleads for the U.S. Supreme Court to send a strong message the D.O.J. and F.B.I. must protect all citizens rights not by selection of who is protected and who is not.

Petitioner pleads for \$30 million in Punitive Damages and \$30 million in Compensatory Damages.

Petitioner Jerry Lee Carr is a natural born American Citizen, born in Portsmouth, Ohio, Nov. 9, 1942. As a natural born citizen, I am entitled to all rights afforded to all American Citizens under the United States Constitution of America and the Bill of Rights. I have had all Rights Removed! I am bringing this matter before the United States Supreme Court to correct erred Decisions *by the lower Courts and Retain my*

Rights and Pray this from happening to any other American Citizen.

The Loss of my Rights began on June 26, 1984. I was 41 yrs of age, a Journeyman Electrician, Journeyman Millwright and a Union Steward for Union Local 1967. I was on site Direct Witness to two male co-workers and active members of the Ku Klux Klan named Louis "Wormie" Wilson and William "Wa Wa" Jones screaming profanities at a female employee and telling her to stop playing *Grab Ass with the N_gg_rs in the plant*. I was then threatened by both Klansmen. I went to Upper Management and was threatened by Management if I value my employment, I should go back to work and forget about this matter. When I went back to my work wagon, there was a small card placed on my wagon stating, "You have been paid a friendly visit by the "Ku Klux Klan." "Should we pay you a real visit."

On June 26, 1984, I and a Female Employee were threatened by the Ku Klux Klan in the workplace. The D.O.J. and F.B.I. refused to investigate our Complaints. My Employer and their law firm, Frost, Brown & Todd (Formerly Frost & Jacobs) retaliated in the workplace and outside the workplace, including a parking lot beating by three Klansmen and half my right ear was bitten off and spit out in front of me, the Klansman never spent one minute in Jail and only fined \$75.00 in Court. The Retaliation was severe in the workplace: almost run over by a fork truck twice intentionally and my lockouts were being cut off of Electrical Disconnects and Energized trying to kill me with 480 volt three phase. I had to call OSHA in and the company

was fined \$400.00. It had become an unsafe workplace for me. I went to every agency in place to help persons in my position but I soon found out they controlled the O.C.R.C., E.E.O.C., N.L.R.B., A.C.L.U. and the D.O.J. and F.B.I. In 1989, I met with two Cincinnati Bell workers informing me my phone was tapped. On May 21, 1990, I filed a R.I.C.O. suit in U.S. District Court in Cinti., Ohio, C-2-90-360, invoking my 1st Amendment Right to Petition the Government for a redress of grievances. Within 6 weeks, the company's law firm, Frost & Jacobs, hatched a plan to set me up with two Bogus garnishments from Federated Dept. stores and Frost & Jacobs represents Federated Dept. Stores, Cinti. Bell, Frost & Jacobs uses their clients when they have to, my employer suggested I join Employees Assistance Program (E.A.P.) to save my job but I had to go to Credit Card Counseling with a Psychiatrist, Michel Miller and a Psychologist, Roger Fisher. I was suspicious so I took a pocket tape recorder and recorded about 20 min. with both Miller on July 2, 1990 and Fisher July 3, 1990. Before seeing Miller and Fisher, I never had any Mental Issues. I was an 18.5 yr employee with *two* Journeyman licenses and a Union Steward. Within 15 minutes of leaving Fisher's office, I was surrounded by 6 Sheriff Deputies and I was taken directly to Rollmans State Mental Inst. in Cinti., Ohio. Two huge orderlies were standing outside waiting on my arrival. This was all planned. I was immediately grabbed and slammed to the ground and injected with a strong drug. For the next 6 days, I was held down and injected with Haldol, Cogentin and Ativan three times a day and also strapped down on a gurney and

Forced Electric Shock Treatments. This was all malicious, intentional punishment and torture, 18 U.S.C. § 2340(1)(2)(A)(B)(C)(D).

I did not know why I was being taken to a state mental Institution (Rollmans). I was Imprisoned and Tortured for 6 days before being taken to a Probate Hearing. I was held captive against my will and Emotionally Stressed beyond belief.

Doctors kept me on psychotic drugs and the very first afternoon, I was attacked by 5 young black men and fought off even under heavy drugs. I was denied my Miranda Rights. I was unlawfully taken at gunpoint by Sheriff Deputies (kidnapped), 18 U.S.C. § 1201. I was denied Legal Representation. I was Denied an Independent Evaluation. I was Denied a phone call, a shower, all food was brought in by a minister. I could not believe what was happening to me in the United States of America. *I had lost all my rights as a natural born Citizen.* I was finally told that Dr. Miller and Dr. Fisher both filed False Affidavits with Butler County Court that I had threatened persons in their presence, 18 U.S.C. § 1001, and had the Deputies take me at gunpoint to Rollmans Mental. I still have those tape recordings to prove I never threatened anyone at any time. Even if I had threatened anyone, I do not believe this would be classified as normal procedure for making a threat. What happened to taken to Jail. Then a Dr. Slaven explained to me that I was now mentally ill and stated this will follow me throughout life. Your word is now moot; no one will ever believe your word on anything. I told Dr. Slaven this was Cruel & Unusual Punishment, 8th Amendment. Dr. Slaven went

on to tell me your lawsuit is being dismissed because I was now mentally ill classified. Just two days earlier, I was an honest, hard worker, two Journeyman Licenses and thought highly enough by employees to ask me to represent them as Union Steward and no mental problems.

He told me they wanted me labeled Delusional Paranoid so no one would ever take me serious as this U.S. District Court in Washington, DC has done, not taking me serious. After 6 days of Emotional Distress from being held down and injected (9) nine times a day, electric shock treatments. I was being taken to Butler County Probate Court for a hearing. On or about 6:00 AM in the morning I was given a stronger drug where I was virtually helpless. By the time for my probate hearing, I was literally dragged across a Public Street in Butler County (Hamilton, Ohio) where many people viewed this. I was even slobbering from the mouth. I was seated in a hearing room, a lawyer sat next to me named Pat Garriston and said he was my attorney, never even asked me a question, just shows on paper I was represented. Judge Henry Bruewer came into the Hearing Room, read my Folder, got up and stated "I will not participate in this" and walked out so they brought in an attorney from out in the hall to probate me to Dartmouth Behavioral Center in Dayton, Ohio, on Roger Fisher simply stating I was Delusional and Paranoid, that I had just recently filed a R.I.C.O. suit against my employer and their law firm Champion Papers and Frost & Jacobs Law Firm and should be Probated. Hearing lasted 10 minutes. I again was

handcuffed and shackled and taken directly to Dayton Dartmouth Behavioral Center. My Co-Plaintiff and I never received our Due Process guaranteed in the Fifth and Fourteenth Amendment. I was incarcerated for a total of 35 days against my will, tortured, humiliated in public, denied a Hearing of any type for first 6 days and I was not even charged with anything, just labeled mentally ill and my Co-Plaintiff Sharon Rennick was not even allowed to speak at my Probate Hearing as a witness. Ms. Rennick listened to the tapes of Miller and Fisher and no threats were made again. I double down on this was still cruel and unusual Punishment, 8th Amendment. Ms. Rennick had sent two telegrams making Miller and Fisher aware I had tape recorded both in our single meetings for 20 min. I was supposed to be at each Doctor office for credit card counseling. They had already filed affidavits in Court ahead of me meeting. This was all to get a Psychiatrist and a Forensic Psychologist to declare me Mentally Ill so the R.I.C.O. suit, C-2-90-360, would be Dismissed. If I was so Mentally Ill that I needed forced injections and shock treatments, why was I released in just 35 days? Just to Destroy my credibility and character. I was refused access to my medical papers upon release. I went to the Hamilton Police Dept. and was referred to Officer Doug Crawford charged with taking any Complaints against Roger Fisher and he refused my Complaint. I now realized they were guilty of organized White Collar Crimes under *18 U.S.C. § 1512, Tampering with a Witness* and *18 U.S.C. § 1505, Obstruction of Justice* to Dismiss and impede a legal proceeding, C-2-90-360. I continued to try and get my

Probate Papers and Legal Representation throughout the 1990's. In 2001 July Cindy, Crawford Clerk of Courts in Butler County, after 11 years. Psychologist Faye Ross of West Chester TFA Group took a year to get my papers released, then the clerk to Judge Randy Rogers told me and Ms. Rennick anything in that Folder has legally expired time limits have run out and smiled.

There was very incriminating evidence in my Probate Medical Records from Rollmans State Mental Institution. Two pages in particular is the Medical Paper showing I was injected 3 times a Day with Haldol, Cogentin and Ativan. The second page of Medical Papers from Rollmans states was Patient explained his Legal Rights Rollmans checked Mark **NO**.

There were two fax transmittal pages showing all the parties involved in my unlawful imprisonment and kidnaping. First page shows Forensic Psychologist Roger Fisher (contact person) Elaine Holman E.A.P. Director. Roger Fisher filed the False Affidavit, Elaine Holman E.A.P. Director made the appointments to see Miller and Fisher for Credit Card Fraud. The second page of the Fax Transmittal Documents shows Roger Fisher contacted George Yund, Legal Counsel and Defendant in R.I.C.O. 2-90-360. George Yund provided phone numbers and trying to reach Federal Judge John Manos to get my case Dismissed. Ms. Rennick, Co-Plaintiff, had just 2 days prior to this Fax Transmittal had sent Roger Fisher two telegrams explaining I had tape recorded our conversations and no threats were made. Roger Fisher panicked and called George Yund

of Frost & Jacobs Law Firm to contact the Judge assigned to the case, George Yund was behind this whole kidnapping and torture because he was a Defendant in a R.I.C.O. suit, 2-90-360, George Yund on page two of the Fax shows Fisher writing down the phone numbers provided by George Yund until Fisher reached and wrote down John Manos on second page to talk to Judge Manos to Dismiss 2-90-360. Petitioner has been Denied his Constitutional Right to be Innocent until proven guilty, called Due Process, which Petitioner was never afforded because of the egregious outrageous crimes committed against the Petitioner. Case C-2-90-360, Judge Manos, a Fabricated Hearing and Bogus Sanction Protecting Frost, Brown & Todd and Attorneys George Yund and Randy Freking from Petitioner suing for illegal acts and intentional damages. Case 06-1893 R.I.C.O. Judge Robertson, Petitioner paid filing fees, then within 4 months over 25 federal agents took Petitioner at gunpoint against as in 1990 and taken directly to seven different Federal prisons and County Jails. C1:18-00356 Vindication suit Wash., D.C., NO Due Process to even get vindication, Dismissed claiming Res Judicata, claiming Petitioner had already litigated this false, same as C1:18-00356 Contreras. The only time this case of Petitioner has been heard and only in part, no witnesses were on a witness stand but after Petitioner completed a year in prison for a firearm under a Mental Disability, by Fisher false Affidavit making Petitioner on paper being in a Mental Inst. (unlawfully). Petitioner filed a motion in U.S. District Court in Cinti., Ohio, CR:1:07 Judge Michael Barrett Aug. 4, 2011. Judge Barrett exonerates Petitioner in

transcripts from that Hearing. On page 2, Judge Manos labeled Petitioner a vexatious litigator. Petitioner had only filed on lawsuit C-2-90-360, and Manos also put a lifetime Bar on Petitioner for filing C-2-360.

On page 5, Line 6-9: How can you only file two lawsuits in your life and be labeled a vexatious litigator. The Court: Jerry, I honestly don't know the answer to that.

On page 10, Line 12: I have no knowledge of an AK-47. Never owned one, never used on, never bought one, never had one in my house but yet federal agents U.S. Marshall Joel Kimmett and F.B.I. Agent Terrance Moran both filed a false charge of owning and possessing an AK-47 with intent to murder a Federal Judge and both federal agents, 18 U.S.C. § 1001.

On page 12, Line 1 thru 5, "Court, Judge Barrett "I think some things that happened were clearly wrong." I mean, the thing that impressed – Tim and I looked at the file. The thing that I thought was improper was he appointed as a, Quote unquote, "Independent evaluator." "He's the guy that actually has you committed. (Rollmans) Petitioner: Carr, "I never did get an independent evaluation."

Judge Barrett: "Well, and I think that was probably wrong." Line 12, 13, "Clearly, that guy was a bad actor." Referring to Dr. Fisher.

Page 13, Line 10, 11, 12, Judge Barrett, "I think what happened to you back in the '90's, in part, was *unfair*."

Page 13, Line 15, 16, 17, Judge Barrett: What was the Other guy's name? Petitioner: Dr. Prada, got his license removed. Judge Barrett: Yeah, He was a kook too."

Line 23, Clearly I didn't want to send you to Jail because I didn't think that was necessary.

Page 14, Judge Barrett: "Clearly Jerry, some things that have happened in the past to you have been *Unfair*." "There is no Doubt"

Line 16, 17, 18, Judge Barrett: Well clearly, the guy that refers you cannot be an independent evaluator.

Petitioner: I have nightmares. Just like the "ear" that they bit off and my thumb they tried to bite off.

Judge Barrett: You got beat up, there is no doubt about it. I was in the hospital for 5 days, I.C.U. for 2 days., by three Klansman, Petitioner: They never spent one minute in jail. That's what I am trying to illustrate to this Court. I have no rights in this country. I have no Civil Rights. I have no Constitutional Rights.

Judge Barrett: "Dr. Fisher - "Basically fudging stuff. "It's nightmares every night from Rollmans."

Petitioner: "Shock Treatments"

Judge Barrett: - "especially as it relates to Dr. Fisher there are some things that should not have happened in your case. "I don't think there is any doubt about that." I mean, I guess it's kind of like being a Vietnam Veteran or something, "you've got nightmares."

Petitioner: P.T.S.D.

Judge Barrett: Yeah. "You've got nightmares regarding bad stuff that happened to you."

Res Judicata is moot! Judge Barrett: It looks like somebody filed a motion. I don't see anything about evidence just says Manos reviewed the motion and attached memorandum that was submitted to him and dismissed the case 2-90-360. No trial, No hearing, No discovery, No depositions, Dismissed a R.I.C.O. Suit on a Motion No Res Judicata as 06-1893 Robertson and 1:18-00-356 Contreras and D.C. Circuit Court of Appeals Continue to adopt this false narrative that C-2-90-360 has already been Litigated, False-Moot, "Ruled on a Motion."

Petitioner Carr Appealed to the 6th Circuit Court of Appeals. Leslie Williams U.S. Attorney answered on top of page 11. "While some mental health events in his past that may have been improperly handled! Leslie Williams names specifically Dartmouth Behavior Center in Dayton, Ohio, completely covering up exculpatory evidence omitting Rollmans Mental Inst., the 9 injections a day and electric shock treatments, as did each U.S. Attorney involved in Petitioners ongoing search for Due Process.

CONCLUSION

Petitioner, Jerry Lee Carr, now 77-years-old has engaged in a vicious legal battle with a law firm Frost, Brown & Todd located in Cincinnati, Ohio. Attorney Randy Freking of Frost, Brown & Todd bragged about being associated with people in high places that controlled the Federal Courts. Petitioner tried to blow the whistle on his Employee Champion Int. for allowing and re-affirming the Ku Klux Klan actions in the workplace of threatening and recruiting for the Klan. Petitioner went to upper management and was threatened with employment.

Employer and their law firm retaliated. Petitioner went to the Cincinnati, Ohio branch of the F.B.I. with co-worker Sharon Rennick. We spoke with Anthony Ott and Rick Coy. Both agents were rude and hostile. Refused our complaints. We both submitted written complaints, nothing was done, no one interviewed or deposed. Both Rennick and I were terminated, but the two Klansman Louis "Wormie" Wilson, known for the constant use of the word Nigger only got a Letter of Reprimand and other Klansman William "Wa Wa"

Jones only got a letter in his file, both testified they knew nothing of Reprimand Letters. This same law firm Frost, Brown & Todd was Accused of Illegally doing over 1,200 illegal wiretaps using client Cincinnati Bell in 1989, in the Congressional Records in Congress. Two Bell employees Lonnie Gates and Robert Draise contacted Rennick and I, telling us George Yund of Frost, Brown & Todd ordered the wiretaps. Rennick and I filed R.I.C.O. C-2-90-360. Mr. Gates explained the over 1,200 illegal wiretaps were performed on Federal Judges, law firms, lawyers, police chiefs, police and many agencies set up to help people, O.C.R.C. Betty Robertson and Roselle Covington, E.E.O.C., N.L.R.B., Ann Poppy, A.C.L.U. Al Geharstein, O.S.H.A. all controlled by Frost, Brown & Todd law firm. George Yund and Randy Freking were Labor Employment Attorneys. The Court has covered up for this law firm Frost, Brown & Todd that has virtually through the help of the D.O.J. and corrupt F.B.I. control the News Media and all Federal agencies in Ohio through over 1,200 Illegal Wiretaps and threats and intimidations. The most important corrupt act was the July 3, 1990, 18 U.S.C. § 1201 kidnapping of Petitioner at gunpoint and taken directly to Rollmans Mental Inst., in Cincinnati, Ohio.

Frost, Brown & Todd through their corrupt wiretaps gained control of the Federal Courts, including the D.O.J. and F.B.I. in Cincinnati, Ohio. Referring back to Judge John Manos. Judge Manos unlawful Decision and life time sanction, protecting conveniently Frost, Brown & Todd and their Attorneys George Yund and

Randy Freking, no other Defendants were protected. Now this is a Bogus Sanction and Bogus Hearing that has never been heard in an Official Court of Law, all staged to protect this law firm and their Attorneys.

If the Court will refer to an Aug. 4, 2011 hearing on page (30) thirty, Line 9 thru 12, the Defendant: It's just hard for me living under something that I know I did not participate in. I was not up there (Columbus). I did not submit any evidence it says on there. "All evidence was reviewed and Plaintiffs take nothing." I think it says something to that affect. "All evidence was reviewed, Plaintiffs takes nothing," something checked box ☒ a trial or hearing was held on July 10, 1991. The Court, Judge Michael Barrett: Quoted: It looks like somebody filed a motion. I don't see anything about evidence, Jerry. It just says that the Judge Manos reviewed the motion and the attached memorandum that was submitted to him (Judge Manos). No litigation was held on July 10, 1991, but each Judge Manos July 10, 1991 adopted this bogus trial or hearing, from case to case. Petitioner paying for an honest judge from Judge Robertson, to Judge Contreras, to U.S. Court of Appeals in D.C. Court of Appeals in the D.C. circuit, how could all these judges be wrong and Petitioner be right? Simple on page 695 of transcripts (Rennick vs. Champion) Randy Freking bragged to Rennick's witness Allen Lample. He (Freking) was associated with People in High Places that Controlled the Federal Courts. Case 2-90-360 R.I.C.O. no motion mention of Petitioner (Carr) taken at gunpoint and tortured for (6) six straight days before being heavily drugged and

electric shock treatments. No mention of Probate Judge Henry Bruewer, read the folder and walked out. Stating "I will not participate in this hearing." Petitioner was then probated to Dartmouth Behavioral Center Dayton, Ohio. Petitioner (Carr) appealed CR:107 Judge Barrett, Leslie Williams U.S. Attorney sat thru CR:107 but in the Sixth Circuit Court of Appeals committed omission of exculpatory evidence, therefore, violates due process, where the evidence is critical to either guilt or innocence or punishment." John Brady vs. State of Maryland, Ms. Leslie Williams, U.S. Attorney intentionally committed omission and spoliation of evidence that would vindicated Petitioner (Carr). Leslie Williams explains on bottom of page 10. "The Court: Judge Berrett explained to Carr that, while there were some page (11) mental health events in his past that may have been improperly handled! Cover-up for Dr. Fisher, George Yund, Elaine Holman, Dr. Miller and Judge John Manos for the alleged kidnapping 18 U.S.C. § 1201 and torture to a perfectly healthy, sane worker, working full time for 25 years at Champion Int. until Carr and Rennick went to Cincinnati, Ohio. F.B.I. Anthony Ott and Rick Coy, the F.B.I. and D.O.J. both participated in over 1200 illegal wiretaps, including President Gerald Ford at the hotel Westin in Cincinnati, Ohio.

Champion Int., Frost, Brown & Todd, Elaine Holman and Judge Manos all retaliated in the most egregious, outrageous, cruel and extreme way, short of death possible. Taken at gunpoint on a false affidavit by Dr. Fisher and Dr Miller to be exposed to 9

injections a day and shock treatments, this is some mental health events Leslie Williams refers to. U.S. Attorney Leslie Williams again commits omission and spoliation of exculpatory evidence by cover-up of threatening a federal Plaintiff in case 06-1893 R.I.C.O. suit. Within 4 months of filing 06-1893 Federal Agents Joel Kimmitt, U.S. Marshal and F.B.I. agent Terrence Moran both filed a sworn Probable Cause Affidavit that Petitioner, Carr, owned and possessed an AK-47 assault rifle. Totally false. Affidavit and threatened Federal Judge Robertson and both agents with murder and a blank search warrant to seize Carr's 9mm handgun kept at home since 1988. After Klansman (3) beat, kicked and stomped on along with biting half of Carr's right ear off and spit it out in front of Carr. The onsite police refused Carr help. Rennick was called to take Carr to emergency room, then to I.C.U. for days recovering. Williams goes on to say Carr had been previously committed to a mental inst., specifically Dartmouth! What happened to Rollmans and my torture again covering upon exculpatory evidence and the AK-47 Probable Cause Affidavit, all important exculpatory evidence! Leslie Williams goes on to carry on this whole fabrication of labeling Carr vexatious litigator filing many lawsuits. Carr's first lawsuit was C-2-90-360 R.I.C.O.

This whole concept that Carr was mentally ill, a vexatious litigator and owning an AK-47 has been adopted in 06-1892 R.I.C.O., 00356 Judge Contreras and 19-5077 D.C. Circuit Court of Appeals of Res Judicata! Case has never been litigated, except by Judge

Barrett CR:107. He stated you were clearly done wrong, Leslie Williams improperly handled each case adopted the bogus order from Judge Manos, no vexatious litigator, no AK-47, not mentally ill, all to destroy Carr's life for filing a R.I.C.O. suit against Frost, Brown & Todd, D.O.J. and F.B.I. Each court C-2-90-360 R.I.C.O. in Cint. Ohio, 06-1893 R.I.C.O., both times taken at gunpoint and incarcerated and tortured until case was dismissed!

Each U.S. Attorney on the cases followed suit refusing thru intentional omission and intentional spoliation omitted Rollman's and the torture, each U.S. Attorney omitted Carr spent a year in prison and a bogus probable cause sworn affidavit and owning and possessing an AK-47, which always translates into Carr never had due process under the constitution, which means both sides are heard in the court of law.

U.S. Attorneys with D.O.J. were as follows:

Sheri Morgan
Marsha Yee
Daniel F. Van Horn
Jessie K. Liu

As Randy Freking openly bragged in court's transcripts page 682 thru 695, *Rennick vs. Champion I*

"I (Freking) can do pretty much whatever I want in Federal Court." Also "I am associated with People in High Places that controls the Federal Courts."

Carr is filing this under the Threat of Death by F.B.I. Agent. Petitioner in short has lost all constitutional rights as natural born American citizen. Petitioner now has no right to vote in own country and lost my right to own or possess a firearm for home protection. Petitioner has been denied due process. Petitioner on July 2, 1990, tape recorded psychiatrist Michael Miller and state forensic psychologist Roger Fisher on July 3, 1990. The courts have been controlled by this law firm Frost, Brown & Todd. If any court would have provided due process and allow Petitioner to play those tapes of both doctors in courtroom, the Petitioner would not be filing with the supreme court, pleading for my rights to be restored. The D.O.J. and F.B.I. colluded with Frost, Brown & Todd and the courts to 18 U.S.C. §§ 241, 242 deprivation of my constitutional rights. Those tapes would have proved Petitioner's innocence and not kidnapped 18 U.S.C. § 1201 at gunpoint and taken directly to Rollmans State Mental Inst. in Cinti., Ohio, and tortured with 9 injections a day of Haldol, Cogentin and Ativan and strapped down on a gurney and given forced electric shock treatments for 6 straight days without a hearing where Petitioner could have played those tape recording, but Frost, Brown & Todd controlling the courts did not want me to have due process. After 6 days of drugs, Petitioner was drugged so heavily for his probate hearing. Petitioner was dragged across a public street by sheriff deputy under each arm, so drugged slobbering from the mouth and could not speak for himself and no witnesses were allowed to speak including Rennick, co-plaintiff in C-2-90-360. The affidavits filed by Dr.

Fisher and Miller refer to Petitioner Carr sued his employer Champion Ins. and their law firm Frost & Jacobs now Frost, Brown & Todd. Was this a reason to have Petitioner put in a Rollman State Mental Inst. and tortured. Petitioner, after eleven years, finally got access to Rollman's medical papers. Petitioner found incriminating evidence in Carr's medical papers, so on Nov. 2006 Petitioner filed another R.I.C.O. suit 06-1893 Judge Robertson in Washington, D.C., Defendants were Frost, Brown & Todd, D.O.J. and F.B.I. all colluded with this law firm including the courts, as Freking on page 695 of C-1-84-1487, "I (Freking) am associated with People in High Places that Controls the Federal Courts." Judge Robertson showed extreme bias, stating this court awoke when F.B.I., George Yund and Randy Freking put in their answers. The F.B.I. Terrence Moran and U.S. Marshal entered a false affidavit probable cause stating Carr owned and possessed an AK-47 with intent to murder. 100% False, Carr never owned or possessed an AK-47 in his life 18 U.S.C. § 1001, same as Fisher and Miller 18 U.S.C. § 1001 filing a false affidavit, no due process and Judge Robertson adopted a fabricated hearing on C-2-90-360, no litigation was heard, even Judge Michael Barrett page 30, 9-12 I see somebody filed a motion and submitted a memorandum. It states no evidence was submitted. It just says Judge Manos reviewed the motion and the attached memorandum that was submitted to Manos, nothing on a trial or hearing. Again in 06-1893 and C-2-90-360 both times false affidavit to have Petitioner taken at gunpoint and incarcerated in mental wards this time for a year on another 18 U.S.C. § 1001 filing a false

affidavit. Again, no due process for Petitioner to plead his innocence before a jury and again no independent evaluator.

The court and U.S. Attorneys:

Shari Morgan
Jessie Liu
Marsha Yee
Daniel Van Horn
Karl Kadon

All have intentionally omitted exculpatory evidence therefore violates Petitioner's due process, so the D.O.J. and F.B.I. and courts continue to prove Freking statement, I am associated with People in High Places that Control the courts. To this present day the D.O.J. and F.B.I. and courts refuse to listen to the tape recordings, investigate Petitioner's complaints and allegations. Even the fact that Janice Morse of Cincinnati, Enquirer newspaper is covering up the altering of trial transcripts, First Amendment Freedom of the Press and the Right for grievance of Redress against my Government.
