Petition for Rehearing

In the petition case of Mr Adrian Weatherspoon vs Fatemah Bagahpour & Vincent Brooks. This is the counsel's briefing on the petition that is being brought forward to these courts.

THE REASONS FOR THE GRANTING REHEARING OF THE PETITION

The Petition calls for the granting of a Rehearing because of the information in accordance to the Petition. The facts to the Petition have been over looked by the appellate courts of legal jurisdiction, so I would ask that this petition be granted a Rehearing do to these dilemmas. This petition has un boundaries of circumstantial concerns that will effect this petition ending note. It is an educated evaluation of loyalty associate with the ties of courts merits in view of the Petition for the right procedure in decision for good purpose in law.
