Re: *Territory of Guam, et al. v. Davis*, No. 19-827

Dear Mr. Harris:

On behalf of petitioners, and pursuant to the Court's March 19, 2020 Miscellaneous Order recognizing the ongoing public health concerns relating to COVID-19, I write to request a 14-day extension of time for distribution of the above-captioned petition for writ of certiorari and respectfully request that the petition be set for distribution on April 15, 2020. Counsel for respondent does not oppose this delay of distribution.

Guam is currently in an emergency situation because of the COVID-19 pandemic, which has complicated petitioners' ability to meaningfully confer with counsel and help prepare a timely reply brief. A 14-day extension of time will provide petitioners sufficient time to balance Guam's response to the ongoing crisis, while also assisting counsel in preparation of the reply brief.

Respondent initially waived his right to respond, and the Court called for a response on January 21, 2020. Respondent filed a brief in opposition on March 17, 2020. Under Rules 15.5 and 15.6, the petition is currently set for distribution on April 1, 2020, for consideration at the Conference of April 17, 2020. Petitioners respectfully request that the petition instead be set for distribution on April 15, 2020, for consideration at the Conference of May 1, 2020.

Sincerely,

Michael F. Williams, P.C.
