OFFICE OF THE CLERK

No. _____

Application for Extension of Time to file petition for Writ of Certorari

In The
Supreme Court of the United States

Background

The 4th circuit court of appeals refused to correct their mistake when I filed a petition for a rehearing en banc. I have included a criminal background check to prove that Frontline National lied which proves slander per se. And this slander per se was communicated to a potential employer.

See Appendix A.

Jurisdiction

This Court has jurisdiction under 28 U.S.C. § 1257.

Reasons Extension Is Justified

The specific reasons why an extension of time is justified is as follows: I was put in the hospital because of a stroke and an infection of my blood from November 27 through December 2, 2019. The week before I went into the hospital, I had the flu. While I was in the hospital the doctor's discovered, I had a blood infection in addition to a stroke. It has taken me several weeks to recover.

This information can be verified thru my doctor. The information is below:

I have sent permission to release this information to the
US Supreme Court

Also, I am having to do this pro se because I could not afford an attorney and any attorney that could have taken this on a percentage basis was too busy. I, Cynthia Fisher, pro se plaintiff seek a sixty-day extension of time to cope with these demands and delays. Signed Applicant asks that this deadline be extended to February 24, 2019.

Conclusion

For the foregoing reasons and good cause shown, Applicants respectfully request that this Court grant this application for an extension of time to file a petition for writ of certiorari. Applicant asks that this deadline be extended to February 24, 2019.
