I wish to proceed as pro' se, in forma pauperis to appeal the decision, of the State of New York Court of Appeal (page 2).

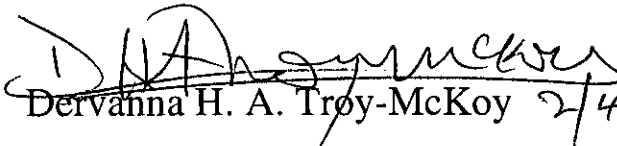

However, due to continuous racial hate crime FBI attack on me, by poisoning my eye (page 4, 5), and conspired with Mount Sinai Beth Israel and deliberately destroyed evidence (page 6) to cover up racial hate crime FBI poisoning me, I have ongoing eye appointment (page 3).

Therefore, I am asking for an extension of time commencing about February 23, 2020.

Pages 7, is a corrupt FBI letter which indicate that the Federal Bureau of investigation (FBI) refuses to provide me with a requested reported that implicated racial hate crime FBI attacks on me.

Page 8, I had to flee from racial hate crime FBI continuous attacks, from my residence in Time Square.

Pages 9 10: Respondent was notified of Extension of Time
