Obvious

Obvious, Kaiser Health Care Provider #1, Kaiser Foundation Health Plan, Inc., Saw That Shane Had Trachea, Rapid Heart Beat on December 26, 2015. Attending Physician gave Shane Medication, That Which put Shane's body into an Allergic Reaction. That Morning Shane is Unstable. Administration of Health Care Provider #2, Kaiser Foundation Health Plan, Inc. Had The Authority To Send him To Kaiser Foundation Health Plan, Inc. Hospital in Order to have THE HIGHEST Quality Care or Other Hospitals Such as Queen's Medical Center, St. Joseph's Hospital. But For Political Reasons. Excuses, Kaiser Hospitals Have no bedspace. Was it That Shane R.W.W. Kehrer's Medical plan have a Cap on it, That Stop Medical Care?

Deliberate Indifference on Shane R.W.W. Kehrer's Medical Care in December 23, 2015, Not Ample, December 24, 2015, attending physician learned Shane had Pneumonia. Just Let Shane Come for himself with Z-Pack antibiotics, a Five (5) day Treatment. December 26, 2015, Shane Succumb To Trachea.

Ground 7: Careless and Actual Malice

Deliberate Indifference can be "inferred" or "Found" From These Facts if the Attending Physicians Failed to respond reasonably to a Known Risk.

A Jury Could Infer inferred deliberate indifference from the Conduct of KHP Doctor by not Transferring STAN to OHR on December 24, 2015 for Highest Quality Care in Life-Threatening Illness.

Ask yourself, did KHP in Harris ever been Successful on Patients with Leukemia or even HTSC? STAN's Constitutional Rights in his Due Process Clause, and Cruel and Unusual Punishment as Grounds in the Cause of STAN's Death. And Yes, They Acted Under Color of State Law having License to Practice Medicine in the State of Harris by Testimony Motion from another State.

Ground 8: Cruel and Unusual Punishment
