**COMMONWEALTH'S OPPOSITION TO DEFENDANT'S
MOTION FOR A COURT-APPOINTED ATTORNEY**

Comes now the Commonwealth of Virginia, by Eric J. Pohlner, Assistant Commonwealth's Attorney for the County of Loudoun, in response to defendant's May 25, 2018 motion for a court-appointed attorney and requests that this court deny the defendant's motion for the following reasons:

1. This is the defendant's third such motion. The defendant previously motioned this court for the appointment of counsel on March 19, 2018. The court denied the motion on April 27, 2018 for the reasons stated by the Commonwealth in court, which the Commonwealth repeats in ¶¶2 and 3, *infra*. That afternoon, the defendant filed his motion again. The court denied that motion on May 25, 2018. Approximately one hour later, the defendant filed the instant motion.
2. This was a matter in which the Commonwealth waived the possibility of a jail sentence. Therefore, the defendant is not entitled to court-appointed counsel. Va. Code §§ 19.2-159, 19.2-160.
3. The final sentencing order in this case was entered on March 23, 2018. The 30-day limitation for noting an appeal to the Court of Appeals has passed without the defendant filing any such notice. Therefore, there are no further proceedings in this case for which counsel may be of assistance to the defendant.

4. The court's April 27, 2018 ruling is final. Rule 1:1. In addition, despite of the **court awareness** of my indigence, **unfortunately** all my motions to have a counsel have been denied.

Hereby, this is a **motion of extension time** for **at least a month** that might help me to find a real decent person to support me to provide an appropriate answer. It may prevent **more violation of my rights** which so far has been **completely destroyed** and nobody cared. Sadly, nobody has power to stop corrupt federal agents who easily destroy **innocent helpless people's civil rights** due to **religious and political views**. I have been prevented to take any job since few years ago by agents who supporting **Iran criminal Islamic regime**. All my complaints have been blocked and my miserable situation got worse and worse. I have already announced the name of few agents and their cars' tags but unfortunately nothing happened.

I would appreciate to have the result of the motion by **certified mail** at **6841 Elm St. #62 McLean, VA 22101**, since my new MacBook Air laptop has been destroyed by corrupt agents few weeks ago and I have no money to buy another one (so far two MacBook Air one ASUS and few other laptops have been destroyed) and the usual mails get missed. **Nonstop damages to my car, laptops, stuff and stealing my valuables by corrupt agents is usual in my miserable life.**

Dear Hon. Chief Judge,
Supreme Court of Virginia,

06/12/2109

Re: Notice of Appeal for the cases 31044 & 31045 Loudoun County Circuit Court and 0441-18-4 VA Court of Appeal

I would like to **appeal and request the Supreme Court to review the judgment, decrees and orders from** the last denial order of my motion to extension time **06/10/2019** to the beginning of the mentioned cases. It's a kind of complain of a helpless innocent victim concerning injustice and the conspiracy cases have been made against him since late 2016 by federal agents.

In **April 04th 2019** I timely filed a motion to extend the time to reply the order of denied appeal 03/21/1969. Because I have been deprived to have **counsel** from the circuit court and I needed more time to search in internet and make my reply to the court of appeal.

After almost two weeks, I was informed by the court of appeal to re-do the service to the circuit court, and re-send the copy of the service to them. Despite I had evidence that I had personally done the service and handled the copy of the motion at the same day to the circuit court, but I did it again and resent the new and old certificate of service to the appeal court.

My reply was ready after few days but legally, I was waiting for the order to my motion for extension of time and several times called the clerk to know the result. like other motions. Unfortunately, after a month I received a denial order. Immediately after weekend and Memorial Day, I submitted my reply to the denied appeal and filed another motion to extend time in **05/29/2019** which denied again by the court order in **06/10/2019**.

Since few years ago, after my articles against radical Islamists in Iran and their supporters of politicians were published in the media, I faced nonstop conspiracies and plots by federal agents, police officers and prosecutors who prevented me to get job and destroyed my entire life.

I would appreciate the Supreme Court to reconsider my cases and offer me a chance to state orally in person before Hon. Judge.

Sincerely yours,

Hamidreza Ghazavi

Re: *Hamidreza Ghazavi v. Commonwealth of Virginia*

Dear Mr. Ghazavi:

This will acknowledge receipt on June 13, 2019, of your motion to appoint counsel and to obtain transcripts related to the above-referenced case. The Court of Appeals entered its final order in this case on March 21, 2019. Under Rule 5:17, you had 30 days from that date to file your petition for appeal. The greatest extension of time the Court can grant is 30 days and any motion for such extension of time must be filed within that 30 day extension period. *See* Rule 5:5. The subsequent orders entered by the Court of Appeals do not appear to be orders that would toll the March 24 order. As your deadlines have expired, your motions appear to be moot and no action will be taken.

Sincerely,

COMMONWEALTH OF VIRGINIA :

v. : Criminal No. 31044-00 & 31045-00

HAMIDREZA GHAZAVI :

ORDER

On the above date came Nicole Wittmann, Chief Deputy Commonwealth's Attorney. The Defendant, HAMIDREZA GHAZAVI, was present.

The Defendant is a Non-English-speaking person who can communicate in the Farsi Language. Therefore, the Court did appoint, an English-Speaking person fluent in the Farsi Language, as an interpreter for the Defendant as provided in Va. Code §19.2-164.

The Defendant informed the Court that he did not want the interpreter and the Court excused the interpreter from this hearing.

These cases came on this day for the Defendant's Pro-Se Motion to Appoint Counsel and for a Farsi/Persian interpreter by a Praecipe filed on April 27, 2018. The Commonwealth opposes the motion.

Upon hearing all argument, the Court denies the Defendant's Pro-Se Motion to Appoint Counsel and for a Farsi/Persian interpreter and notes the Defendant's exception.

The Clerk is directed to forward a copy of this Order, forthwith, to the Office of the Commonwealth's Attorney and to the Defendant
