

Clerk of Court,

Attached is my petition for writ of certiorari and motion for leave to proceed in forma pauperis. The petition was prepared in accordance with Rule 33(2) and this is the sole copy filed with the Court as required by Rule 12(2) since I am an inmate confined in an institution proceeding in forma pauperis and not represented by counsel. I served the United States Solicitor General with a copy of all documents herein as required by Rule 29(4)(a) and the proof of service is the last page enclosed.

Finally, I am mailing this petition from an institution and I am depositing it in the outgoing mail today,

May 22nd, 2020,

in accordance with 28 U.S.C. § 1746.

Note that all mail to/from me is delayed by 2-6 weeks for the FBI to review it in accordance with Special Administrative Measures (SAMs) placed on ~~me~~ me by the Attorney General.
