Re: *Indiana v. Ruiz*, No. 19-924 (U.S.)

Dear Mr. Harris:

On November 8, 2019, Petitioner in the above-referenced case requested a 60 day extension of its time for filing a petition for certiorari. Justice Kavanaugh granted that extension, and the petition was docketed on January 21, 2020. The Court requested a response on March 17, 2020. The brief in opposition is currently due on April 16, 2020.

Respondent Ernesto Ruiz recently retained Jones Day to represent him in the Supreme Court, and I will be serving as counsel of record. Pursuant to Supreme Court Rules 15.3 and 30.4, Mr. Ruiz respectfully requests that his time for filing a brief in opposition be extended through May 18, 2020. That extension is necessary to permit Jones Day to gain familiarity with the issues in this case and prepare a brief in opposition.

Sincerely,

/s/ Shay Dvoretzky
