SUPREME COURT, U.S.

In The United States Supreme Court

Mr. Eric C. Burgie, DOC #120956

Petitioner / Ap-

plicant

case NO.

State of Arkansas

Respondent

Motion for Extension

comes now, Eric C. Burgie, DOC #120956, the petitioner in the above styled matter, and request of this court an order granting his motion for extension.

Specifically, on May 2, 2019, the Arkansas Supreme Court entered a order denying the petitioner Mr. Burgie's pro se petition for rehearing in Eric C. Burgie v. State of Arkansas, doc. # CV-18-569. The petitioner seeks review in this court of that case and the petition for certiorari is due on July 13, 2019. The petitioner is therefore requesting for (20) twenty additional days to submit his petition for certiorari with this court on that matter, and ask that those days be counted from the time the petitioner receive this order. In requesting for the extension, the petitioner states that he is having a difficult time obtaining needed legal materials from the law library at this unit. And this requires a longer period of time for obtaining the

legal materials needed for completing the petition
and filing it in a timely manner in this court.

wherefore, the petitioner prays that this court
grant his motion promptly and any and all relief
requested.

Respectfully submitted,

Mr. Eric C. Burgie
