O R D E R

THE COURT:*

Appellant filed a notice of appeal from an "Opinion from Appellate Division of Superior Court of California Dated 11/20/18." This court advised appellant that it is considering dismissing the appeal on the basis that appellant filed a notice of appeal from a ruling that is not appealable, and also not appealable to this court. Appellant was invited to file points and authorities to explain why the appeal should not be dismissed, and he explains that he is entitled to counsel and due process and equal protection under the Sixth and Fourteenth Amendments to the United States Constitution.

On the court's own motion and for good cause, the appeal in case number G057060 is DISMISSED.
