v.

James Sanders

Fifth Circuit No. 18-41113  
USDC No. 4:17-cv-324

MOTION FOR EXTENSION

Movant comes before this Honorable Court to request an extension of time for filing a Petition for Certiorari after the June 19, 2019 denial of motions for COA and to proceed in forma pauperis.

Movant attempted to file a motion for reconsideration, but it was deemed "out of time" on August 9, 2019. Thus, upon receiving this decision today (Aug. 14, 2019), Movant immediately filed a motion asking the Fifth Circuit to hear the out of time motion.

Nonetheless, since I do not know what the Fifth Circuit will do, Movant wanted to timely request this extension of time for seeking certiorari. Movant prays the Court will grant this motion.  
SIGNED this 14th day of  
August, 2019.

Respectfully,

RE: Petition/Writ for Certiorari

Dear Supreme Court Clerk:

Please find enclosed my motion for extension for Fifth Circuit case # 18-41113 in which motions for COA and proceeding *Informa Pauperis* were denied.

I tried to file a motion for reconsideration, but it was out of time, so I filed another motion requesting it be heard out of time.

Nonetheless, I wanted to file for an extension with the Court. It is also my understanding that your office provides "sample petitions and writs of certiorari." Please send me some samples so I can have a clearer understanding of the difference between a petition / writ of certiorari and better understand how exactly to proceed.

Respectfully,  
James E. Sanders
