REQUEST FOR EXTENSION OF TIME

11 Application for Extension of Time to file Writ of Certiorari

12 An extension of time is respectfully requested in which to file a Petition for
13 Writ of Certiorari regarding the above named case. (Memorandum attached)
14 Current deadline for this filing comes on the heels of another Petition for Writ
15 being filed this day.

16 During the period of time allotted for these filings (both due within a matter of
17 days of each other), some unforeseen circumstances arose which precipitated
18 a delay in completion (of the second filing). My significant other, a woman
19 with whom I live, had to be admitted to the hospital to undergo surgery for
20 cancer, necessitating the removal of internal organs. This came about in a
21 matter of weeks (from one month to the next) from the time of diagnosis and
22 occurred during the time-frame when these Petitions were being prepared.
23 Unfortunately, the necessary assumption of all of the duties that she would
24 have otherwise handled, as well as seeing to her care, befell me.

25 In light of these circumstances, an additional 30 days is requested in which to
pursue the completion of the second Petition in order to do justice to the filing
