vs.

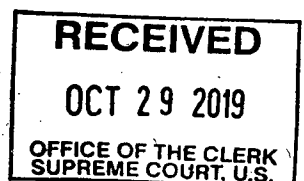

state of Arkansas

Respondent

Motion For Extension of Time To File Petition
For certiorari In U.S. Supreme court

Come now, the petitioner Mr. Burgie, AOC #120956, and proceeding in this court pro se, in the above style matter and moves this court for an order granting his motion for extension for approximately 45 to 60 days. The petitioner need additional time to file his petition due to limited access to legal materials and physical access to prison law library because of his recent assignment to the punitive segregation of

C1)

prison. Furthermore, the petitioner has made repeated requests to this court and the clerk's office of this court but have been unable to obtain legal documents such as the petition for the writ of certiorari in order to file my case in this court. This has caused me to have to request for additional time to file petition.

However the appeal in this matter which was decided by the Arkansas supreme court was dismissed on June 6, 2019. And the petition for rehearing was denied on August 1, 2019. Therefore the petitioner Mr. Burgie in accordance to this court rules asks for the motion to be granted.

Respectfully submitted,
