SUPREME COURT, U.S.

Motion for Extension of Time
to File Petition for Writ of Certiorari

Petitioner motions this Honorable Supreme Court for a 30 day extension of time to file a Petition for Writ of Certiorari.

The date the Eleventh Circuit denied Petitioner's appeal is July 30, 2019. A 30 day extension from the due date for filing the writ will be November 30, 2019.

Petitioner most respectfully requests this extension because she misunderstood the procedure for filing a petition for the writ with this Court and instead filed a notice of appeal with the Eleventh Circuit, which was returned unfiled. (Exhibit 1).

Respectfully submitted,
