SUPREME COURT OF THE UNITED STATES

Charles A. Wolfe II - PETITIONER

vs.

UNITED STATES OF AMERICA - RESPONDENT

Application to extend the time to file a petition for a writ certiorari

to the US Court of Appeals for the Eighth Circuit

Application to extend the time to file

I am requesting a 60 day extension of time to file a petition for a writ of certiorari, from 12-17-19 to 02-15-20.

A three judge panel issued an opinion and judgment on August 6, 2019, affirming the conviction of the Appellant and the decisions of the district court. On August 19, 2019, a timely MOTION FOR PANEL REHEARING OR BANC DETERMINATION was filed and denied on September 18, 2019. Appellant respectfully will set forth points of law and facts the courts have overlooked

or misapprehended. The judgment of the district court should be reversed to dismiss count 1 on both indictments and the associated counts; be remanded for a new trial on the basis of prohibited evidence and defense and for such further relief as the Court may deem just and proper in the premises. The jurisdiction of this court is invoked under 28 U.S.C. § 1254(1).

My Appellate Counsel has abandoned me after my petition for rehearing or en banc determination was denied. I am seeking pro bono legal guidance in continuing Pro Se. As a Stage IV metastatic colorectal cancer survivor I have multiple medical maladies that have impeded my progress. It is with great hope I am granted this 60 day extension of time to properly file my petition.

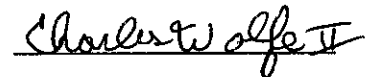

Included is a copy of the opinion, the judgment, the motion for panel rehearing or En Banc determination and the order denying.

Respectfully submitted,

Charles A. Wolfe II
