PETITION: MOTION SUMMARY BRIEF FOR A US SUPREME COURT APPELLATE FILING EXTENSION

If it pleases the Courts Thurston Sanders
(Name of Moving Party)

Will move before the UNITED STATES SUPREME COURT, U.S.F.D.J. on DECEMBER 10th, 2019 for a
(Date)

NOTICE to file an extension to Submit an Appellate Brief (as indicated by the Courts).
(Describe the type of action introduced to the courts)

The filing is for an Age Discrimination Law Suit. Based on the need to acquire an Attorney / Legal Representation (court assigned or other) that will bring this action to suit and prepare the filing submission with the proper and corrected amendments (of any inconsistencies' or/and omissions) that Plaintiff/Pro Se Litigant Sanders in his limited knowledge and ability has prepared thus far. Pro Se Sanders realizes that the facilitation and preparation of bringing this action to Suit requires completed preparation of proper statutes and gathering of documentations, depositions of witness, petitions, interviews, legal statements, appearances, solicitation to and introduction of (to this legal concern) any addition 3rd parties and others involved in the financial liabilities and insurance coverage of this

concern and those involved; Plaintiff, Defendants, Staff, Institutions, Over- site Representatives, Government & Private Sector Offices/Department, Unions, Companies and others involved in this overall legal process.

The statutes of limitation for moving and filing a continuation of this claim in the US. Supreme Court is time sensitive and nearing conclusion. At which time consideration for the right to file a claim will be in a voided status by the Courts and I will no longer be able to bring Action against in the Appropriation of the US. Supreme Court. This an attempt to file in timely fashion (if applicable) without appointed legal counsel or as a Pro Se Litigant until such counsel is hired to attend to the proceedings and further processions. Please forward me the particulars to insure the proper filing of the Claim(s) forms for Tort Claim, miscellaneous Civil Claim or / and a combination for Tort and Civil action (if applicable). I hope and pray that the Court will look past any of Plaintiff Sanders short comings and omissions in preparing this document with the understanding that Sanders is not a practicing Attorney. "I would regret losing the entire privilege of bring this Claim Action before the US. Supreme Court for Non-Compliance of any Statues".

Submitted with sincerity and humility,
