v.

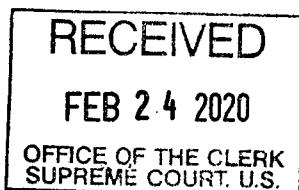

United States of America  
Respondent / Appellees

From: 6:16-CV-883  
(M.D. Fla.)

## APPLICATION FOR EXTENSION OF TIME

COMES NOW, Petitioner Michael Boykin, seeking an extension of time for the filing of his certiorari petition. This court has jurisdiction resulting from the denial of his motion for a COA and federal habeas corpus petition in the 11<sup>th</sup> circuit.

As a pro se petitioner Mr. Boykin does not possess the knowledge and investigatory wherewithal to adequately prepare such a petition in the allotted time. Therefore, Mr. Boykin respectfully asks this court to grant him a 60 day time extension in good faith under weight of law.

Respectfully Submitted,  
Michael Boykin # X54717
